

SOCIALISTS TO RESIGN UNLESS DEMANDS HEEDED

Insist Germany Take Immediate Steps Against Bavaria

BERLIN, Oct. 31. (A. P.)—After a party caucus lasting seven hours the United Socialists reichstag delegates today adopted a program of demands upon which it makes contingent its former membership in the present coalition government. While the nature of its communication to Chancellor Stresemann suggests a 24 hour ultimatum the reichstag leaders believe that its tenor and contents are dictated by the desire of the party's moderate leaders to appease its clamorous radical wing, which has been endeavoring to stampede the party into defection from the coalition.

The Socialist ministers, Solimann, Radbruch and Schmidt, whose withdrawal from the cabinet was under advisement at today's caucus, informed their colleagues that the government declaration against Saxony had not been referred to the cabinet, but was determined and put into execution by the federal government's military commander in Dresden, General von Mueller and the reich commissioner, Dr. Heinze.

Moderates Win

The party's moderate wing succeeded in winning over the radical majority to support of the anti-secession sentiment in view of the general internal situation and the further fact that the new Saxony government required aid from Berlin which would not be forthcoming if the Socialists were out of the government.

There was also strong suspicion discernible in the ranks of the leaders of the moderate section that a parliamentary crisis precipitated by the Socialists at this time would prove a doubtful asset to the party's prestige—this because the issues on which the party is at variance with the chancellor constitute poor political propaganda, especially in view of the Socialists' recent ill-starred union with the Saxony communists.

The party's reichstag delegation will suggest to Dr. Stresemann that the existing military state of emergency be converted into a federal civil regime and that the federal troop contingents in Saxony shall be reduced and the policing functions there assigned to the local organization.

Regarding Bavaria the Socialists are considerably more aggressive; they peremptorily demand that the central government come out in the open and publicly brand Bavaria as a breach of the federal authorities as a breach of the constitution and deal with it accordingly. The Socialists also request the government to speed up its program for stabilized wages and demand that it proceed against all who fail to make prompt deliveries for food supplies.

The text of the resolution, adopted at the caucus follows:

The Socialist party can remain in the coalition only on the following conditions:

First: Abolition of the military state of emergency.

Second: The government must clearly treat the Bavarian government's attitude as a breach of the constitution and in accordance with the reichs constitution, immediately take necessary steps against Bavaria.

Third: The maintenance of law and order in Saxony is a task for the police.

The supporters of Nationalist aspirations who lately joined the reichswehr must be immediately dismissed.

The Socialist party passed another resolution that the Socialists' parliamentary leaders demand in their conference with the government that wages in the future shall be paid in stable currency and that the farmers should be forced to sell foodstuffs.

The party leaders submitted the resolutions to Chancellor Stresemann and requested a reply by noon tomorrow.

WET RESOLUTION LOST IN COUNCIL

Chicago, Oct. 31.—A resolution calling upon congress to amend the Volstead act to permit light wines and beer failed in the Chicago city council today when a motion to suspend the rules and vote on it failed to win the required majority by three votes.

Dry aldermen declared the resolution introduced by John J. "Bathhouse" Coughlin was an affront to the city administration which has been forcing a vigorous campaign to stop beer running in the city.

PLENTY OF ROOMS AVAILABLE FOR VISITORS

Champaign, Ill., Oct. 31.—More than 500 rooms for homecoming visitors to the University of Illinois are still unrented and Coach E. J. Manley, who is in charge of securing lodgings for visitors, has established an office in the Illinois Central station here at which rooms may be rented for the week end.

COUNCIL VOTES TO ENTER CONTEST FOR BOK'S PEACE AWARD

Committee Will Frame Plan from Members' Suggestions

DECATUR, Ill., Oct. 31.—(A. P.)—Organization reports, routine business and discussion of educational problems were the chief matters disposed of today by the convocation of the National Council of Women in session here. The most important actions of the council today provided for competition for the organization for the Bok peace award and for the collection of a \$100,000 fund to defray expenses of the International Council of Women in Washington in 1925. The peace plan submitted by the council will be framed by a committee which will receive and study suggestions from members of the various organizations represented in the council. Each organization will be represented on the council. Much of the \$100,000 fund will be used to bring delegates from countries in Europe that have been hard hit in the crash of foreign exchange.

Mrs. David Allen Campbell of New York chairman of the council committee on music urged that the council endeavor to improve musical appreciation throughout the country thru the motion picture and vaudeville theaters. She was followed by Robert Foreman of New York who attacked the system at present used in public school music and urged that school children be taught music thru emotional appeal rather than thru technical systems.

Earlier in the day a letter from President Coolidge expressing great interest in the work of the council and in the coming international council was read. Letters from Hubert Work secretary of the interior, Herbert Hoover, Secretary of Commerce and Henry Wallace, secretary of agriculture were also read.

SAYS CITIES HAVE NOT PROGRESSED IN SOLVING PROBLEMS

Small Improvement Made in Government in Twenty Years

URBANA, Ill., Oct. 31.—Illinois cities in more than twenty years have made no outstanding contributions to the improvement of municipal government and relatively little progress has been achieved towards solving the major problems confronting the cities, Professor R. B. Storey, of the political science department of the University of Illinois told the woman citizenship school here today.

Many problems of Illinois cities he said, arise from the lack of positive constitutional status the consequent complete dependence upon legislative foresight the creation of overlapping jurisdiction within municipal corporate boundaries and an excess of poorly integrated legislation on municipal subjects.

"The result which flow from these conditions," he said, "are manifest in the inadequacy of municipal powers want of flexibility and adaptability in organization, imperfect means of co-operation among municipalities and a confused and uninformed urban electorate."

PRETTY CO-EDS CAUGHT RIDING THE BLINDS

MINNEAPOLIS, Minn., Oct. 31.—Two University of Minnesota co-eds caught "riding the blinds" at Lacrosse, Wis., while on their way home from the Wisconsin-Minnesota football game last Saturday "didn't miss a class" they told friends at the University today because the police chief was sympathetic when they told him "we haven't time to stay in jail," because of classes.

The girls, Hazel Casserly and Elsie Mott both of Minneapolis are seniors in the physical education department of the University.

Harry P. Brown, night patrolman of Lacrosse stopped the girls when he saw them get off the front end of a Chicago, Milwaukee & St. Paul train when it stopped here at 3 A. M., Monday.

"I saw the butt of a revolver sticking out of one of the girls' pockets," Brown said, "or I wouldn't have thought to stop them. The girl who was carrying the gun told me she had it for protection and that the police at Hudson had told her she could carry it if she didn't keep it concealed."

Brown said Chief of Police J. Webber also got off the train and that he put the matter to him for a decision. When the girls told the chief that they had 8:30 classes at the University he ordered them released, they said, and they left, riding in the baggage car.

They arrived here at 8:05, just 25 minutes before class time.

SAN DOMINGO FLYERS ON WAY HOME

Dayton, O., Oct. 31.—Lieutenant R. G. Palmer and 2 D. Palmer of the Marine Flying Corps of San Domingo, arrived at McCook Field this evening from Scott Field, Belleville, Ill. They will take off for Bolling Field, Washington, D. C., tomorrow morning enroute to their home base.

ENGLISH NOTES TO FRANCE ARE VERY FRIENDLY

Identical Communications Sent to Belgian Government

PARIS, Oct. 31.—(A. P.)—The British government, thru its ambassador—the Marquis of Crewe, has sent two communications to the French foreign office which were received there as happy accord with the conciliatory spirit shown by France in recent intercourse between the two countries. The first note drew the French foreign office's attention to the jurisdictional consequences which might be entailed by the separation of Germany from certain provinces in that such provinces were not signatories to the treaty of Versailles and so would not directly have assumed obligations laid upon the reich by this treaty.

It has been reported that the note contained various statements including criticism of several measures taken by the French and Belgians in the zones of occupation but it can be said that the note is limited to the above declaration based on the treaty of Versailles.

An identical communication was made to the Belgian government.

The second note contained a proposal to the French government to send a joint British-French-Italian and Belgian invitation to the United States to be represented on the committee of experts which will make an economic investigation into Germany's capacity for the payment of reparations and the means Germany possesses to fulfill her obligations.

The joint invitation will express thanks to the United States for its collaboration and beg the government to appoint delegates thru its observer on the reparations commission. Thus it can be seen that the note neither raises objections nor asks the French government to specify its intentions as has been reported from London.

Premier Poincare did not have time today to draft replies, but as apparently not the slightest difference exists between the governments on the two questions treated therein, there is no doubt as to the nature of the reply.

SENATOR FLAYS FORD IN OWN HOME TOWN

DETROIT, Mich., Oct. 31. (A. P.)—Henry Ford does not announce his candidacy for the presidency because he is afraid it will be "as great a fiasco as his peace ship," United States Senator James Couzens declared tonight in an address at dinner of the Detroit Republican club.

Referring to the automobile manufacturer who recently criticized the senator's announced stand for five per cent beer, Mr. Couzens said:

"Why does Henry Ford refrain from announcing his candidacy for president of the United States? He is afraid it would be as big a fiasco as his peace ship."

Senator Couzens and Henry Ford were associated in the Ford Motor company when the latter was still in its infancy. During the address Senator Couzens referred to the automobile manufacturer as a "loveable" man and declared "that he loved Ford as much as any man could love another."

"But when Henry Ford differs with me on an amendment which I proposed to the Volstead Act and says, according to a newspaper interview that 'I know better than to propose such an amendment' he challenges my integrity and sincerity," Senator Couzens declared.

"Ford has never recovered from his defeat as a candidate for the senate in 1915," Senator Couzens asserted "and for a man so politically ambitious he has made more unfulfilled statements than any other man in America."

PIGGY WIGGLY ASKS IMMENSE DAMAGES

NEW YORK, Oct. 31.—A bill of complaint seeking \$100,000 damages from the New York Stock Exchange and affiliated firms as a result of the exchange's action following the "corner" on March 20 of the stock of Piggly Wiggly Stores, Inc., has been prepared by the law firm of Ewing, Alley & Voorhees on behalf of Frank C. Milton and Walter L. Smith of Memphis, Tenn. Papers in the suit are being served on the defendants and will soon be filed at supreme court at Mineola, N. Y., the attorneys stated today.

The plaintiffs aver that they were damaged to the extent of \$100,000 by the failure of three stock exchange firms—James E. Bennett & Co., Chicago, and Clark, Childs & Co. and A. A. Houseman & Co., both of New York—to deliver a block of 500 shares of Piggly Wiggly stock on March 21, the day following the purchase of the same.

Wreck Caused By Bad Judgment of Officers

WASHINGTON, Oct. 31. (A. P.)—Bad judgment and faulty navigation of three officers caused the loss of 23 lives and of naval material valued at \$13,000,000 in the destroyer accident on Honda Point, Calif., Sept. 8, the board of inquiry declared in its final report to Secretary Denby. On the recommendations of the board Captain Edward H. Natson, the squadron commander, Lieutenant Commander Donald T. Hunter, commanding the Delphy flagship and leader of the nine destroyers which grounded, and Lieutenant Lawrence F. Blodgett, navigator of the Delphy will be charged before a general court martial with "culpable inefficiency in the performance of duty" and negligence. Eight other officers, including the commanders of as many destroyers which figured in the catastrophe will face charges of negligence in performance of duty.

The report was declared by veteran naval officers here to be a most unprecedented in its sweeping condemnation of those alleged to be responsible for the disaster.

"In the opinion of the court," it said, "the disaster is, in the first instance, directly attributable to bad errors of judgment and faulty navigation on the part of three officers attached to and serving on the Delphy, viz: the squadron commander, the commanding officer and the navigating officer."

Their responsibility is complete and the court sees no extenuating circumstances.

Commanders of the other destroyers must be held responsible in a measure the board found, for having too blindly followed the judgment of the squadron commander and in failing to check the position of their individual ships against that ascertained for the Delphy.

The board found no evidence of unusual tides or extreme errors of radio signals which it would accept as contributing to the disaster, although radio bearings received by the squadron commander were obviously in error when considered by navigational purposes.

Each ship the report said had its equipment for determining course and location which could have been used if correct judgment had been displayed.

The resolution approving the step for the conferences was introduced by Judge Townsend Scudder of New York and to Dr. Mark F. Finley, grand master of the District of Columbia were the usual honor today of being chosen chairman of a meeting of grandmasters.

Ervin W. Johnson, secretary of the grand lodge here was named as secretary. Dr. Finley in his address of welcome said there should be no interference with the jurisdiction and authority of each jurisdiction of Masonry.

Plans are completed for the ceremonies tomorrow at Alexandria where the George Washington National Masonic Memorial will be erected at a cost of \$4,000,000.

President Coolidge, making his first formal trip from the capital since he journeyed to Marion to attend the funeral of President Harding will go to Shoppers Hill, on the outskirts of Alexandria, where the memorial is to be built. With the trowel used by George Washington in laying of the cornerstone for the Capitol, he will spread mortar over the stone to be laid.

Many other high government officials will participate and Masons estimated to number between 20,000 and 30,000 are expected to witness the ceremony.

The cornerstone will be laid by the grand lodge of Virginia, assisted by the grandmasters from the various states.

Before it is ceated a relic from every jurisdiction in the country will be deposited in it in addition to an American flag, a Bible and literature describing the origin of the memorial.

The Right Rev. James E. Freeman, Episcopal bishop of Washington will deliver the principal oration.

LLOYD GEORGE PAYS TRIBUTE TO SCHWAB

SCRANTON, Pa., Oct. 31.—(A. P.)—The English speaking peoples on this earth "can save civilization from doom," David Lloyd George, the wartime premier of Great Britain declared in an address here today before a great audience in the state armory.

"Not by alliances, but by understanding," he said; "not by contracts, but by cooperation."

Mr. Lloyd George paid tribute to Charles M. Schwab, who was seated on the platform, for his war services and the two men shook hands and embraced while the audience cheered.

"He was one of the Americans who from the start placed the whole of his great genius for organization at the service of the allies," he said. "The first man from the United States of America who came to our help in providing munitions was Mr. Charles Schwab."

Mr. Lloyd George told how the Kaiser had heard that Mr. Schwab was supplying the deficiencies of the allies and made him an offer that would pay him three fold in pecuniary benefits for throwing up the allied contract, "and he stood by the allies."

PLANS ARE MADE TO HELP RURAL DOCTORS

DES MOINES, Iowa, Oct. 31.—(A. P.)—Expressing the opinion that steps must be taken to encourage physicians to work in the rural and among the smaller communities, executive officers of the Tri-State Medical association in convention here today announced the completion of machinery by which it will establish a \$100,000 foundation fund to collect clinics and bring medical authorities of national prominence before the doctors who work in the less populous fields.

The fund will endow a post-graduate medical organization within the tri-state association and it will be made up of contributions by the physicians themselves, no money being sought from sources outside the association.

The defense is expected to complete its presentation early tomorrow.

CHARGES AGAINST KLAN HEAD IS DENIED

Atlanta, Ga., Oct. 31.—Denials of charges made in affidavits introduced by the plaintiffs in the suit of B. M. Rittenhouse and others seeking a receivership for the Knights of the Ku Klux Klan, featured today's hearing in Fulton county court.

The plaintiffs closed their presentation of affidavits and depositions shortly before noon and the remainder of the time was taken up with depositions presented by the defense.

The defense is expected to complete its presentation early tomorrow.

MASONS GATHER FOR LAYING OF CORNER STONE

Dedication of Monument Occurs Today

WASHINGTON, Oct. 31.—Grandmasters and past grandmasters of Masons in America, gathered here for the laying of a corner stone of the great memorial to George Washington at Alexandria, Va., broke a precedent of many years' standing by voting today for the convening of annual conferences of grandmasters hereafter.

The sense of the gathering was said to be against a move to form a supreme grand lodge in the United States, but it was emphasized that the meetings each year would give the personal contact and harmonious round-table discussion necessary to wipe out differences of opinion which may exist between some of the grand lodges.

The resolution approving the step for the conferences was introduced by Judge Townsend Scudder of New York and to Dr. Mark F. Finley, grand master of the District of Columbia were the usual honor today of being chosen chairman of a meeting of grandmasters.

Ervin W. Johnson, secretary of the grand lodge here was named as secretary. Dr. Finley in his address of welcome said there should be no interference with the jurisdiction and authority of each jurisdiction of Masonry.

Plans are completed for the ceremonies tomorrow at Alexandria where the George Washington National Masonic Memorial will be erected at a cost of \$4,000,000.

President Coolidge, making his first formal trip from the capital since he journeyed to Marion to attend the funeral of President Harding will go to Shoppers Hill, on the outskirts of Alexandria, where the memorial is to be built. With the trowel used by George Washington in laying of the cornerstone for the Capitol, he will spread mortar over the stone to be laid.

Many other high government officials will participate and Masons estimated to number between 20,000 and 30,000 are expected to witness the ceremony.

The cornerstone will be laid by the grand lodge of Virginia, assisted by the grandmasters from the various states.

Before it is ceated a relic from every jurisdiction in the country will be deposited in it in addition to an American flag, a Bible and literature describing the origin of the memorial.

The Right Rev. James E. Freeman, Episcopal bishop of Washington will deliver the principal oration.

STATE PATROLMEN SENT TO CHAMPAIGN

SPRINGFIELD, Ill., Oct. 31.—John Stack of Kankakee, chief of state highway patrolmen and 20 of his force will concentrate about Champaign tomorrow, to remain until the Homecoming at the University of Illinois Saturday, to direct traffic, on state Routes 10, 1, 25 and 39, according to the announcement this morning of Highway Superintendent Frank T. Sheets.

This extra force of 20 was ordered to Champaign tomorrow, it was announced, because the influx of automobiles has already commenced. The routes that will have this special protection will bring the most part of the traffic Route 10 runs to Champaign from Springfield and Decatur on the west and Danville on the east; Route 1, from Chicago and Danville on the Dixie Highway; Route 25 from Kankakee and Paxton on the north and Mattoon on the south, and Route 39 from Peoria and Bloomington.

WILL NOT RECOGNIZE SEPARATE GERMAN STATES

London, Oct. 31.—(A. P.)—By notes delivered to the French and Belgian governments today, the British government puts into formal form the announcement made recently by Premier Baldwin that the government cannot view with equanimity the creation of separate states in Germany or the dismemberment of that country. The notes declare that Great Britain cannot recognize an independent Rhineland republic, de facto or de jure because such a republic is contrary to the treaty of Versailles.

COUNTERFEITERS NOW UNDER ARREST AFTER COUNTRY WIDE CHASE

Scattered Twenty Dollar Bills Across the Continent

CHICAGO, Oct. 31.—Four men who are alleged to have sprinkled spurious \$20 bills from New York to the Rocky Mountains were arrested here tonight by secret service operatives who said the band had loosed \$10,000 of the money in Chicago and probably \$40,000 in other parts of the country.

Those arrested gave their names as Lewis Kettler, Ralph C. Oldham, Bob White, also known as Witte and Edward C. Brown. The men, according to Thomas I. Porter, local head of the secret service, are alleged to have passed three kinds of spurious \$20 notes of the federal issue bearing serial numbers A207, A28 and B198.

Last June the men are said to have operated in Milwaukee. Then they came to Chicago according to the authorities and dozens of complaints began to pour into the secret service offices here but the men were not apprehended.

Shortly before the Dempsey-Firpo fight, according to secret service agents the quartet went to New York unknown to local authorities and soon officials there received complaints of spurious notes. After the fight, operatives said the men are believed to have returned to Chicago, remained here only a short time and started for the Pacific coast in Oldham's car. On this trip they are said to have sprinkled St. Louis, Rock Island, Moline, Davenport, Kansas City, Denver and Boulder, Colo., with the counterfeit bills. At Boulder the government operatives said the men changed their plans and went back to Kansas City.

Girl Bluffs Them

At Kansas City, according to the story as pieced together by secret service agents, one of the four attempted to give a girl, said to have belonged to a show troupe, one of the spurious notes. She refused it, according to the secret service agents, telling the man she had read about the operations of the band in the newspapers.

The men are then said to have fled from Kansas City in Oldham's car, but became more frightened the further they traveled and on a lonely railroad siding near Eldorado built their "\$50,000 bonfire," according to the secret service operatives. Then they came on to Chicago where they were arrested.

AMERICA PATIENTLY WAITING FOR REPLY FROM OTHER POWERS

Making All Preliminary Preparations for Conference

WASHINGTON, Oct. 31.—American government officials while awaiting official word from Europe that the allied powers had agreed to a conference of economic experts to unravel, if possible the reparations tangle, arranged today to move expeditiously with regard to participation by the United States in the discussions.

Secretary Hughes had half an hour's conference late today with President Coolidge and altho no statement was forthcoming from either the white house or the state department as to the nature of his call it was believed that the reparations question had been up for consideration.

Secretary Hoover, whose name had been mentioned as a possible American representative also was the president during the day but there was no indication that the reparations problem was discussed. Mr. Hoover in answer to inquiries said flatly that he knew nothing concerning published reports that he was to be an American member.

It was said in one official quarter however that there would be no need for Mr. Hoover to resign from the cabinet in order to accept a place on the committee.

MELLON INTENDS TO CLOSE CONTROVERSY

WASHINGTON, Oct. 31.—Secretary Mellon was said today to feel the latest communication sent him by Governor Pinchot of Pennsylvania on prohibition enforcement had raised no new issues and that he expected to make the reply to it a final communication on the subject.

Assistant Secretary Moss, Commissioner Blair of the bureau of internal revenue and Chief Counsel Britt of the prohibition unit were in conference today and were understood to have agreed on a draft of a reply to Governor Pinchot.

Chicago.—Injunctions closing 38 more saloons convicted of violating the prohibition laws, were granted today, making the total number of such places ordered closed for one year by the federal courts to 116 since the beginning of the week.

AGREES TO SIGN TREATY SOON ON LIQUOR SUBJECT

England and America Come to Terms on Three Mile Law

LONDON, Oct. 31.—(By The A. P.)—The rum running issue between the American and British governments which Ambassador Harvey in his conferences with British officials repeatedly characterized as a dangerous menace to the existing good relations of the two countries has been virtually settled.

On the occasion of his formal farewell visit to the foreign office the retiring American envoy and foreign secretary Curzon gave final consideration to the terms of a draft treaty which it is believed will clear up the whole question. The treaty is understood to meet the American desire for the right to search suspected rum running vessels beyond the three mile limit but at the same time gives to Great Britain America's formal affirmation of the three mile limit as governing British maritime rights generally.

May Carry Liquors

It would also allow British ships to carry liquor into American territorial waters under seal thus enabling liners under the Union Jack to maintain bars enroute to an after departing from American ports.

From the British side it only remains for the imperial conference of premiers to place its imprimatur on a document embracing the points of the agreement. It is expected this will be done Friday, after which the draft will go to America for ratification by the United States senate.

At the request of the British the rights of the American authorities to detain British vessels suspected of rum running will not be confined strictly to twelve miles from shore, or any other arbitrary limit, but will rather embrace the distance covered by the broad term:

An hour's sailing distance from the American shore, which is reckoned roughly at from ten to fifteen miles.

Thus a "twelve mile limit" will not be mentioned in the treaty and the foreign office cannot be charged with surrendering its traditional principle regarding the limitation of territorial waters.

Three Mile Limit

In this connection the British attach much importance to the three mile limit in question of general maritime rights as being likely to be invaluable to them. Only recently soviet Russia agitated for the establishment of a 12 mile limit for all maritime purposes but with the American government supporting the British stand it is expected the principle will remain as established in international law.

Mr. Harvey's farewell conference with Lord Curzon also disposed of the only unsettled question which has arisen since his arrival—that of the Newcastle consular.

It is believed that an equitable settlement is possible and that the consulate which was closed on Feb. 2 last will be re-opened within a fortnight.

The consular officials involved will be persona grata with the British government, but having departed for new posts will not return to Newcastle.

With the settlement of the rum running and Newcastle issues Mr. Harvey leaves London with no problems left over for his successor, who, as the ambassador said today is likely to have troubles enough of his own.

INCOME TAX FORM MUCH SIMPLIFIED

WASHINGTON, Oct. 31.—Form 1410 which has stamped many an income tax payer with its six pages of questions, instructions and what not is to be simplified. Hereafter the internal revenue bureau announced tonight it will consist of a single sheet and will be used in reporting net income of not more than \$5,000 derived chiefly from salary and wages. Questions will be on one side of the blank, instructions on the other.

rougher sports that have marred some Halloween programs.
J. E. Osborne, the Republican candidate for county commissioner, is not infallible. No doubt during his past three years of service he has made some mistakes and has profited by experience. But his whole record will meet the closest inspection and give ample proof that he has consistently tried to administer the affairs of Morgan county in a business way.
He is a successful business man with the background of honesty and integrity. Holding public office with him is a serious matter. During his term he has not had an eye for politics or sought to build up political friendships. He has simply done his duty as he has seen it with the thought of having county affairs on a business basis and doing everything possible with the people's money for their benefit.
The people of the county even for selfish reasons should vote for him next Tuesday, for in this way they will best guard their own interests.

PARTNERSHIP
Solomon once remarked what a good and pleasant thing it was for brethren to dwell together in unity. There is a remarkable example of that in the case of two Cleveland business men, heads of a big railroad and many other big concerns, and rated as "future Harveys." They are "the Van Swingers."
They are two brothers, both in their forties, who started with nothing. They are both single. They live in the same apartment, being domestic partners as well as business partners. They use the same checking account, each drawing for either personal or business use, whatever he considers necessary, without any accounting.
There are no articles of partnership, no personal agreements. They draw no salaries, no profits. Everything except their personal belongings is in common. They do nothing except by mutual agreement, and never seem to have any difficulty in agreeing on important matters. They respect each other's viewpoints. Their minds usually run together; and when they do not, they supplement each other.
In a novel, such a pair of characters would be considered an absurd creation of fancy. Yet there they are, in real life—an inspiration to every other partnership, business or domestic, in the land.

THE OLDEST AMERICAN
Devotees of the "100 per cent American" may consider the case of the gentleman whose skull was dug up the other day at Santa Barbara, Calif. For lack of a better name, he is known as "the Santa Barbara man." Without implying any reflection on the present inhabitants of that city, it may be added that this pioneer

resident had a skull three-fourths of an inch thick, with hardly any forehead, and his jawbone shows that he could open his mouth seven inches. Presumably he could have swallowed a good-sized fish whole, and often did.
This skull is considered a new link in the chain of human descent. The Santa Barbara man is thought older than Germany's famous Neanderthal man, and may have lived 50,000 to 100,000 years ago. With his skull, and others like it, were found primitive fishhooks and crude tools and utensils of bone and stone, suggesting the existence of man in a state of partial civilization, at a time inconceivably remote from the dawn of history.
The origin of men is being pushed back farther and farther into the night of past time, as scientists continue their work of exploring geological remains. When the whole chain is forced, we shall know much more about man, and possibly about his world and destiny than we know yet.
Mr. Bryan should take notice.

THE JOKER
NEA
What do you think of a janitor with a salary of \$10,500 a year? That's the income of James A. Howe, described by a Boston newspaper as the highest paid janitor in that city. Howe's salary is more than his received by the mayor of Boston or the governor of Massachusetts.
Here's the joker: Janitor Howe has to pay seven assistants out of his salary. He says this leaves him only about \$41 a week.
Howe isn't the only person who doesn't make as much money as appears on the surface. Around coal mines there are men whose "big pay" shrinks when they take out what it costs for their helpers, the powder they use, and so on.
We know a lawyer with an income of \$30,000 a year. By the time he gets thru paying office rent, employees and other expenses of operation, we doubt if he has \$10,000 a year left.
Another case is a physician who specializes with radium and the X-ray. He charges big fees. Before he has any "clear profit" for himself he has to figure rent, office expenses and interest on about \$25,000 worth of radium and X-ray machinery.

We're all in much the same boat. Some have to dress expensively for their line of work, compared with the overalls they would wear in a plainer job. Many things we buy are really business expenses—including often our general standard of living. Men in certain positions have to maintain a certain "front." Their real income is what's left after deducting all these.
And then, finally, to know what we're really making, we have to figure it on the basis of the dollar's depreciated buying power.

AUTO ROBE STOLEN
A plush auto robe was taken between 6 and 6:30 o'clock last night from the machine belonging to Dr. C. E. Scott while it was parked in the driveway at his residence. The robe was figured on one side and black on the other. Although nothing is known of the persons who perpetrated the theft, it is taken as a Halloween prank.

PASSAVANT AID SOCIETY
The Passavant Hospital Aid society will meet at 2 o'clock this afternoon at the hospital. A full attendance of the members is desired.

BERTON BRALEY'S DAILY POEM
PLAIN ENOUGH
BY BERTON BRALEY
SHALL booze come back? This talk of "wines and beer" Is but a smoke screen. Under it appear The old, old enemies we fought to quell, The ugly emissaries out of hell, Who threatened all that made life clean and dear.
MAKE no mistake, the issue stands forth clear! The grip of drink is what we have to fear, Shall we again yield to its evil spell? Shall booze come back?
SHALL youth be ruined, womanhood made drear, Manhood grow sodden? Shall we once more rear The shrines of booze 'mid which we used to dwell? Think straight about this! Weigh the question well! Advance? Retreat? We must decide it here; Shall booze come back?
(Copyright, 1923, NEA Service, Inc.)

SOCIAL HELD AT WOODSON CHURCH

Golden Rule Bible Class Gave Halloween Party Tuesday Evening — Other Woodson News.

Woodson, Oct. 31.—A Halloween social was held Tuesday evening in the basement of the Christian church, the function being given by the Golden Rule Bible class. The committee in charge of arrangements consisted of Mrs. Emma Hembrough, Mrs. Ida Quimby and Mrs. Emma Cooper. The basement was beautifully decorated with seasonable colors and autumn leaves. Many of the guests were masked. The evening was thoroughly enjoyed. Prizes were given, Johnson Sheppard receiving the prize for the best dressed, the prize for the

most comical costume going to Mrs. Harry Craig. The fortune teller's booth, in charge of Mrs. Louise Henry, was well patronized as was the first prize. A quartet of stringed instruments composed of Fred Quimby, Johnson Sheppard, Dowsland McGinnison and Ralph Kehl furnished music during the evening.

The following short program was also rendered:

Reading, "Little Orphan Annie"—Mrs. Clyde Owings.

Reading—Mrs. Emma Hembrough.

Piano solos, Miss Daisy Seymour of Durbin neighborhood.

Refreshments of pumpkin pie and coffee were served in the course of the evening.

The Woodson Parent-Teachers Association will hold their regular meeting Friday afternoon immediately after school.

Oliver E. Smith and little daughter, who have been visiting

here for the past two weeks, left Wednesday for Los Angeles, Cal., their home.

A large number of Woodson residents attended the "Alice in Wonderland" play in Jacksonville recently. Among those attending were the Misses Phyllis and Doris Steinmetz, Martha Jones, Mardelle Henry, Hazel Daniels, Lulu Adams, Hazel Rotson, James Jones and Miss Ruth Miller, primary teacher in the public school here.

Mrs. A. E. Powell of Fancy Prairie called on friends here this week.

Those attending the Sunday school convention at Durbin last Sunday from here were Dr. and Mrs. R. R. Jones, Rev. C. H. Drummer, Mr. and Mrs. J. B. Baxter and Mrs. Anna Cooper.

Mr. and Mrs. Lorenz Kehl and family removed from Woodson to Jacksonville Wednesday.

Miss Lucile Owings and Miss Dorothy Albright of Pearl are visiting relatives here this week.

The Missionary society of the Christian church will meet Thursday afternoon with Mrs. Emma Feils.

Constable's Sale—Furniture, stoves, etc., new and second hand. Easy's Second Hand Store, 217 W. Morgan St.

ADDITION FOR FAUGUST BUILDING

Work is under way for the construction of a garage addition to the Faugust building on North Main street. L. B. Sargent has the contract and the building, which is of hollow tile construction, will be 31 by 65 feet in general dimensions. This spacious room will be utilized for the dismantling of cars and the handling of used car parts.

Rummage sale today at Scott Block.

BARBER SALE NEAR WOODSON YESTERDAY

Good Crowd Attended Live Stock and Grain Sale at Farm of Albert Barber.

Albert Barber disposed of his stock and grain at his farm west of Woodson yesterday by means of a public sale. There was a large crowd, and the property sold well. The Ladies Aid of the Woodson Christian church served lunch on the grounds. The auctioneer was J. L. Henry and the clerk Harry Doolin. Following are a few of the sales:

A team of mares to Leo Watson for \$195.

Horse to Louis Wall for \$70.

Mare to John Oert for \$71.

Pony to John Butler for \$28.

Span of mules to Charles Ir-lam for \$185.

Horse to Walter Fearney-hough for \$33.

Team of mares to J. L. Henry for \$162.50.

Cow to Hal Mandeville for \$77.

Cow to Frank Hare for \$55.

Cow and calf to Isaac Daniels for \$93.

Cow to Miller Oert for \$26.

Cow to Chris German for \$41.

Four heifers to Walter Fear-neough for \$20 each.

Eight calves to Guy Doolin for \$12.50 to \$18 each.

Young sows sold for \$20 to \$25 a head.

Hay sold for 62c to 70c a bale.

The sale totaled \$2,300.

Mr. Barber expects to move his family to Jacksonville in the near future.

TURN ON THE LIGHT

To the Editor of the Journal:

Some one has gotten out a graph consisting of a large circle divided into segments which show how all the entire taxes of Morgan county for one year are spent. Out of the entire \$1,450,000 spent this last year a net expenditure of \$13,480 was made to fight tuberculosis. This was nine-tenths of one per cent! Not a violent extravagance considering the 300 cases of tuberculosis in Morgan county.

I do not know who started the petition to wipe out this \$13,480 entirely or who signed the petition. Some one who does know has written me a letter telling me that the motive back of that petition was to get that little \$13,480 diverted to some other pet scheme here in the county. Perhaps so. I would like to have today and look into the faces of the patients there and see if he could then vote to turn those patients out.

I would like to have every one ask himself just this one question: "If I had a brother or a son in Oak Lawn today would I vote to close the Sanitarium and send that loved one far from home?" Think of the other man's son or brother! The more we dig into this county expenditure and the solemn peril of 350 cases in a population of 35,000 the more we feel like saying to those who vote:

"Oh woodman spare that tree. Touch not a single bough; In youth it sheltered me And I'll protect it now."

Be sure to get to the polls on November 6th and put your big "X" after "Against Discontinu-

ance."

Yours,

Thomas W. Smith

FARMERS' INSTITUTE CLOSES AT FRANKLIN

Subjects of Interest to Farmers Discussed at Various Sessions — Exhibit Awards Made

The Morgan County Farmers' Institute closed a very successful institute program and an exhibit of farm products Wednesday afternoon. Hundreds of people viewed the exhibits at the Marquette hall, and the program sessions were well attended. Wednesday's program proved interesting as Tuesday's. The address Dr. Eva Wilson gave covered the advantages of segregating the sick from the well, and spoke of the advantages of the proper use of the quarantine law. H. C. McCarell for his morning talk explained the taxing system of Illinois. In the afternoon the subject matter of his address was the farmers' co-operating marketing plan. He said that farmers would never get any where with their market problems until they organized, and advised an organization for each commodity. As illustrious he used the California Fruit Growers' association and spoke of Denmark's system of grading hogs before shipping, and remarked that when American bacon and Denmark bacon were found in competition that the American bacon is lower in price than the Denmark, and that in London American bacon ran about 20 cents lower than Danish bacon.

Mrs. Calhoun at the organ.

Miss Blanche Harney and Mrs. W. E. Douglas furnished the music for the day's program, and Miss Mary Barr gave a very interesting reading.

The farm products exhibit was very commendable, and County Agent Kendall said that the school exhibits were especially creditable.

Awards Made

The awards made were as follows:

Bread

Best Loaf of White Bread—First, Mrs. Herman Dahman; Second, Mrs. Henry Mansfield; Third, Mrs. J. L. Hill.

Best Loaf of Graham Bread—First, Mrs. Gail Seymour; Second, Mrs. John Fairbairn.

Route vs. I. S. D. Illini Field at 3:45 this afternoon.

Appetite Gone?

A tempting, delicious looking meal—all the choicest morsels from a well stocked pantry. The fragrant aroma of all these good things failing to put a keen edge on your appetite—failing to arouse, in any degree, a hardy relish for the food so attractively placed before you. Why? Scores of men and women are faced with the same misfortune. After a day of toil—when they are tired—when good things to eat should be ravished sought to recharge their vitality and fit them for play time—their stomachs turn. They are worn down, played out. Food has no appeal. To them it is sickening. The aroma of appetizing things nauseates them. Red blood cells are missing. Red blood which should be coursing through your veins strengthening your vitality—adding to your strength—keeping you healthy and fit—is not to be found. S. S. S. is what is needed. Your blood needs purifying. What use is an automobile without a battery? What advantage is a dynamo without electricity? Your body is a human dynamo. Your blood cells supply the energy which keeps your body well and fit. Weakened blood cells make you like the storage battery with dry cells—power lacking—energy gone—productivity at the lowest ebb. S. S. S. supplies the red blood cells—the spark that recharges your system. Mr. James Chaloupka, Sherman School, Chillicothe, Ohio, writes: "I feel like a new man after taking S. S. S. It gave me a better appetite and cleared my skin of pimples and blackheads." Carefully selected, scientifically proportioned and prepared herbs and barks make up S. S. S.—the great blood purifier. Give nature a helping hand. Get back the lost appetite—the missing vitality—the keen, sparkling eyes—that look of determination. The best way to start back over the road to well being is with S. S. S. Nervous will become stronger. S. S. S. will give you more energy, vitality and vigor, and a more "up and going" appearance. S. S. S. is sold at all leading drug stores. Try a bottle and see for yourself. The large size bottle is more economical. Get one today.

ILLINOIS-MONMOUTH RESULT IS DOUBTFUL

Harmon Has Two Cripples Who
Will Not Be in Line—Dope
Shows Game Will Be Tight

When Monmouth college comes
to town Friday afternoon to play
football they will attempt to break
a string of victories which Illinois

college has hung up in late years
in this annual struggle.
Jack Roberts will not play Fri-
day due to a bumped shoulder
which he received when he buck-
ed the Bradley line last Saturday.
Bowman may not be able to get
into the game either. He is
nursing a whole flock of boils on
one of his arms and can now sym-
patize fully with Capt. Riess who
just recently had a boy of them
on his back. This is the first
time in 10 years that Illinois
players have been troubled in
this way and the reason is not
known.

Some idea of Monmouth
strength can be drawn from the
fact that they lost to Bradley in
the first game of the season, 7 to
0. Last Saturday Bradley had no
trouble in disposing of Illinois
college, 27 to 0. Perhaps Brad-
ley has improved greatly since
their game with Monmouth or it
may be that Monmouth has not
improved. The game Friday after-
noon at 3 o'clock will tell the
tale.

WILL GRANT VACATIONS FOR NABING GAMBLERS

Los Angeles, Cal., Oct. 31.—A
twenty four hour vacation will
be the reward of any policeman
who arrests a gambler in Los
Angeles, Chief of Police August
Vollmer announced today. If
the gambler is a particularly
prominent one the vacation will
be longer. Former gamblers as
well as those actively engaged in
the "profession" are good for
vacations, the chief said unless
they can show that they have re-
formed and taken up a legitimate
occupation.

ARENZVILLE

J. S. Weeks and his two nieces,
Louisa and Lucretia Rentschler
of Concord were Jacksonville
callers Saturday afternoon.
Herman Engelbach was a busi-
ness caller at Virginia Friday.
Mr. and Mrs. Tom Fossard of
Jacksonville were week-end guests
of the latter's sister, Miss Lizzie
Beard and Mrs. Fannie Springer.
Mr. and Mrs. Joe Peck and
little daughter Mabel Jean spent
Sunday with Mrs. Peck's aunt,
Mrs. Hueston and family of near
Hageron.

Mrs. Ed Holman and son Bob
were Jacksonville callers Satur-
day.
Mrs. Simon Sackser of Spring-
field was a guest of Mrs. Proud-
foot during the week and was
present at the social given at the
latter's home.

Mr. and Mrs. J. S. Weeks spent
Sunday afternoon at Beardstown
with Mrs. Delores Curry and son
Ernest.

Mrs. Henry Zahn returned from
Jacksonville where she accom-
panied her daughter, Ellen, who
left for her home at San Diego,
Calif., on Saturday after a
month's visit with her parents,
Mr. and Mrs. Henry Zahn and
other relatives.

Mrs. Anna Banmer and daugh-
ter and husband, Mr. and Mrs.
Eberhardt were Beardstown call-
ers Sunday.

Mr. and Mrs. Henry Zahn, son
Albert and wife and children
Lavern, Delmas and Junior, spent
Sunday at Jacksonville at the
home of Louis Hackman and
daughter Zelma.

Mrs. Irvin Hueston and son
Paul were guests Tuesday of her
niece, Mrs. Joe Peck and family.

BRIEFS

(By the Associated Press)

Denver.—Plans for bridging
the gap between farmers and
stockmen and the banks of the
west were outlined here today at
a meeting of farmers, stock grow-
ers and bankers from seven west-
ern states with officials of the
federal land banks and interme-
diate credit banks.

Marion, O.—To commemorate
the fifty-eighth anniversary of
the birth of the late President
Warren G. Harding, Mayor
George N. Neely today issued a
proclamation directing that all
flags be placed at half mast
November 2.

Denver, Colo.—The appoint-
ment of a committee of four from
the American Wheat Growers as-
sociation to meet with the Low-
den committee in Chicago Nov. 5,
marked the closing session of the
wheat growers conference here
this afternoon. Meeting of the
committees will result in active
co-operation of the two bodies in
the co-operative wheat marketing
movement it is believed.

Washington.—Executives of the
grain and coal hauling railroads
thru a committee selected at their
meeting yesterday in New York
will present to the interstate com-
merce commission tomorrow their
answer to President Coolidge's
suggestions relative to reductions
in freight rates on export wheat
and on coal for shipment to Can-
ada.

New York.—Wall street was
treated today to its liveliest stock
market session since last June
with prices of active issues jump-
ing 1 to 5 1-2 points above yes-
terday's final quotations on the
unexpected declaration of an ex-
tra dividend last evening by the
United States Steel corporation
and the publication of a bullish
forecast by Jesse L. Livermore,
one of Wall street's most famous
market operators. Short interests
caught unawares by the steel cor-
poration's action engendered in a
mad scramble to buy stocks in
order to cover their commitments.

Chicago.—W. L. Needham, man-
ager of the Musicians' Self-Maker
company was found guilty by a
jury in federal court today on a
charge of using the mails in a
scheme to defraud. A new trial
was denied and the court indi-
cated sentence will be imposed
Nov. 15. The jury deliberated 20
minutes.

Chicago.—Mrs. John E. Stant-
on, wife of an army surgeon
formerly stationed in the Philip-
pines, who became the mother of
triplets yesterday, died in a hos-
pital today. Complications de-
veloped causing the death of the
mother altho the children are well.

Indianapolis.—Opposition to a
cash bonus for world war veter-
ans was reiterated by Julius H.
Barnes, president of the chamber
of commerce of the United States
in an address here tonight.

Spring Lake, Minn.—Clifford
Frederickson, 18, St. Paul, was in-
stantly killed here today while
duck hunting when the top of
his head was blown off. When he
picked up his gun the trigger
caught on something and the
weapon discharged.

SAVE FUEL COSTS

Poor Ventilation and Heating a Cause of Ill Health.

Save
25%
by keeping
the house
at 62° to 68°

By NEA Service.
WASHINGTON.—Most houses
are kept too warm.

So declares Samuel S. Wyer of
the Smithsnan institute in his
pamphlet on the correct use of
fuel in the home.

About 25 per cent of the house-
hold fuel, he says, is used in raising
the room temperature from 60 de-
grees to 70 degrees. Houses can
be kept 5 to 10 degrees lower
than is customary—that is, kept
at 62 to 68—without any discom-
fort or any danger to health.

"Keeping the house tempera-
ture lower is the easiest way to
save fuel," Mr. Wyer asserts. "It
is fuel saved by doing less work."

In most homes, especially
when hot air furnaces are used,
the room air is too dry for health,
and comfort. A room with proper
humidity of air—not less than
30 per cent—will be more com-
fortable and healthful at a low
temperature than one where the
moisture content is too low.
Therefore, with proper humidity,
lower temperatures may be com-
fortably maintained and less fuel
used.

Cold Air Leaks.

Prevent leakage of cold air in-
to your house and you save a big
part of your coal bill and keep the
house warmer, declares Mr. Wyer.
In any of the recent houses,
points out, especially those built
to sell, the construction is so de-
fective that a reasonably tight
room cannot be had. Fuel saving
of 15 to 25 per cent are easily
possible by making the house
tight.

These are ways of making your
home more airtight:
In cold climates on the side of
prevailing winds, storm sashes
are effective.

Calking oakum or other calk-
ing material around window and
door frames and weather strip-
ping for doors and windows,
whether of felt, rubber or metal,
will reduce unnecessary cold air
leakage.

Ceilings are always desirable,
since floors where the wind can

get underneath are not only un-
comfortable but serious heat
wasters.

Health Menace.

Improper heating and ventila-
tion not only causes discomfort
and unnecessary expense but is a
serious menace to health, Mr.
Wyer adds.

"About one-third of all the
deaths in this country," he says,
"are due to respiratory diseases.
Pneumonia is one-third more fre-
quent in urban than in rural dis-
tricts. The seasonal cycle of
pneumonia where house heating is
necessary is startling. Of the total
annual deaths, about 40 per cent
occur during the winter months,
24 per cent during the fall and
spring and 10 per cent during the
summer. In other words the
highest death rate occurs during
the heating season. This is due
to lowering of vitality on account
of improper heating and ventila-
tion. The toxic action from com-
bustion products—especially car-
bon monoxide—from flueless gas-
heating stoves is also important."

Cover Pipes.

Water tanks, furnaces and pipes
for hot air, water or steam should
be adequately insulated. Merely
covering with one thickness of as-
bestos sheets is not enough—in
fact, this is worthless. The cov-
ering must be half an inch thick
to be effective and then will make
a marked saving in fuel and will
heat the living room instead of
the basement.

Most hot air furnaces have a
sluggish hot-air draft. Placing an
electric motor fan in the cold-air
intake, according to Mr. Wyer,
will:

Increase the volume of air go-
ing through the furnace and de-
liver more heat but at a lower re-
gister temperature. It will deliv-
er a warm instead of a hot air,
thus producing better conditions
in the room.

Absorb more heat from the fuel
thus decreasing the fuel consump-
tion.

Make the draft positive and in-
dependent of weather conditions.
Next article: Use of Gas.

POTATO CROP WILL BE BEST IN YEARS

Prospects for Apples and Pears
Below Last Years Average—
Hay Crop Fair.

Springfield, Ill.—The Illinois
white potato crop this season is
reported by the federal crop
service as the best in years. The
October condition is estimated to
be 82 percent of normal indicat-
ing a total production for the
state of 10,539,000 bushels, com-
pared with 7,497,000 last
year and the average of 8,912,000
bushels. U. S. production of
potatoes is estimated at 401-
424,000 bushels compared with
451,000,000 last year, and the
average of 388,000,000 bushels.
"The condition of sweet pota-
tes in Illinois on October 1 is
estimated to be 85 percent of
normal, promising a crop of 941-
000 bushels compared with 855-
000 bushels last season," the re-
ports states. "U. S. production
place at 96,350,000 bushels com-
pared with 110,000,000 last
year, and average of 94,300,000
bushels."

"Hay yields vary widely in the
state this season ranging from
poor, quite extensively for timothy
and above average for alfalfa,
sweet clover, soybean and cowpea
hay. The quality of much of the
late harvested hay crops such as
soybeans, cowpeas and last cut-
ting of alfalfa, has been lowered
by frequent rains during the
harvesting period. The average
yield for all hay in Illinois is
below average and is estimated
to be 1.24 tons per acre compared
with 1.45 tons last year, and
average of 1.26 tons. Total pro-
duction of all hay for Illinois is
4,139,000 tons compared with
5,363,000 tons last year. Pro-
duction of all hay is placed at
102,914,000 tons compared
with 112,791,000 tons last
year."

Fruit Shows Reduction
"The apple crop prospect in
Illinois shows a slight gain over
that of last month owing chiefly
to improvement in commercial
orchards. The improvement in
fall varieties is the most marked.
Apples are now being harvested
and moving to market in good
volume. Color and quality
favorable. The total apple pro-
duction is forecast at 6,930,000
bushels for the state compared
with 9,720,000 bushels last sea-
son. U. S. apple production out-
look is for 190,727,000 bushels
compared with 201,000,000
bushels last season, and the
average of 160,000,000 bushels.
U. S. Commercial apple pro-
duction is 33,104,000 barrels
compared with 31,000,000 last
year and average of 25,741,000
barrels. Illinois pear production

is estimated to be 316,000
bushels compared with 510,000
bushels last season.

Illinois broomcorn yield per
acre estimated to be 475 pounds
compared with 680 pounds last
season, and the eight year aver-
age of 555 pounds per acre. State
production placed at 6,600 tons
compared with 7,100 tons last
year. U. S. broomcorn produc-
tion 68,500 tons compared with
35,000 tons last season and the
average of 49,600 tons."

CITY AND COUNTY

Mrs. Paul Markkille was a shop-
per in the city yesterday from
Winchester.

J. E. Underbrink was a busi-
ness caller in the county seat
yesterday from Litchberry.

Mrs. Sybil Fox of Winchester
was a Wednesday shopper in the
city.

Walter Long was among the
callers in the business district
yesterday from Litchberry.

PANA DRUGGIST ASKS FOR CHANGE OF VENUE

Springfield, Ill., Oct. 31.—(A
P)—Robert Smith, Pana drug-
gist, charged with murder in
connection with the deaths of
five persons from poison liquor,
today asked for a change of
venue from the Pana city court.
Smith, in an affidavit charges
that prejudice against him will
prevent him from receiving a fair
trial in Pana. The petition if
granted may send the case to
Shelby county. Smith is charged
with selling the liquor that
caused the deaths of five persons.

BANK GETS JUDGEMENT ON MCCRAY NOTES

Kentland, Ind., Oct. 31.—(A
P)—Judgement of \$4,056.48
was awarded the Merchants
National Bank of South Bend,
Ind., against Governor McCray on
overdue notes.

Answers to several suits in-
volving Governor McCray and
his business partners which are
pending in court here were filed
today. Change of venue to the
Jasper circuit court was granted
in two suits involving notes given
by the governor.

DIES AS RESULT OF AUTO ACCIDENT

Danville, Ill., Oct. 31.—(A P)
—A man believed to be John
Lowrey 32, of Gibson, City, Illi-
nois, died late tonight in a local
hospital from injuries received
in an automobile accident four
miles west of Hoopeson earlier
in the night. He was found, un-
conscious, beside the road, near a
small car bearing a truck license
issued to Allen Lowrey of Gibson
City and is believed to be the
latter's son.

MERRITT

Misses Robertine Barry and
Mildred Harvey who are attend-
ing High school spent the week-
end with home folks.

Mr. and Mrs. William Robert-
son and family spent Sunday with
Mr. and Mrs. Joe Craven at Chap-
lin.

The Ladies Aid society is to
meet with Mr. and Mrs. G. T. Wet-
zel of this city Friday.

Mrs. Sallie Huddleston and Miss
Verena Barry are spending sev-
eral days with Miss Hattie Barry,
211 South Kosciuszko street.

Mr. and Mrs. Allen Chrisman
and son Baird, and Ben Chris-
man spent Sunday with Mr. and
Mrs. Fred Myers of White Hall.

Ed Chrisman and Gabe Chris-
man spent Sunday with Mr. Chris-
man's daughter, Mrs. Leonard
Branson.

Mr. and Mrs. John Hitt are
making a pleasant visit with his
brother, William Hitt and family.

Miss Rearden, who is a teacher
in the Merritt school, spent the
week end with home folks.

The shipping association of
Merritt shipped their first car
load of stock to St. Louis Monday
night.

Misses Myrtle Rowe and Mabel
Durham visited home folks the
latter part of the week.

R. S. Hamilton was in Jack-
sonville yesterday from the Ar-
nold neighborhood.
Charles Ryan and father of
Woodson were in the city on busi-
ness on Wednesday.

HELPS WITH AUTO; BEATEN AND ROBBED

Taylorville, Ill., Oct. 31.—(A
P)—Beaten into unconsciousness
and robbed of \$75, by a pair of
automobile bandits, near Clarks-
dale in Christian county, Kelly
Durbin, manager of an elevator
is in a serious condition tonight
in a hospital at Taylorville.
Durbin was returning home when
the bandits met him and sought
his aid in getting their car out
of a ditch. He assented and at
the point of a gun was told to
hand over his money. He com-
plied with the request and as he
turned to go he was struck over
the head with a butt end of a
pistol.

SOCIAL EVENTS

Entertained Friends.

Little Margaret Goebel, daughter of Mr. and Mrs. William G. Goebel of Duncan Place entertained a number of her friends at a party Tuesday evening.

Hallowe'en Party.

Miss Anna Louise Bergschneider was hostess at a delightful Hallowe'en masque party last night at the home of her aunt, Mrs. Fred Degen, 328 South Church street. The guest list included twenty of her classmates and Miss Bernice Bergschneider of Franklin. A delicious four course dinner was served, after which a number of appropriate games and contests were enjoyed, prizes being won by Dorothy Sweeney and Evelyn Cannon. The party was then chaperoned to the parade by Mrs. Fred Kumble and Mrs. P. J. Shanahan.

Sunday School Class at Party.

The Sunday School class of Miss Lillian Carter of the Central Christian Church had a delightful party celebrating Hallowe'en Tuesday night, when the girls, each guests, about 24 in number, met at the home of one of the members, Miss Rhoda Olds. Games characteristic of Hallowe'en were played amidst the Hallowe'en decorations, and the very happy evening closed with refreshments in keeping with the season.

American Legion Dance Successful.

The American Legion masquerade dance given last night at the Auto Inn was attended by hundreds of persons in costume, and practically as many who were in ordinary dress. As soon as the crowd became large, the floor filled with dancers, and the fun went

on for several hours. Large's and Skinner's orchestras kept the music going thruout the evening.

Hallowe'en Party at Lee Home.

Games and dancing made up the program at a Hallowe'en party given Tuesday evening by Miss Dorothy Lee of 337 North East street. Hallowe'en decorations were used in the living rooms and the refreshments were of a kind suited to the occasion.

Sunday School Class is Entertained.

Members of the Mary and Martha Sunday School class of Northminster church were entertained at the home of Miss Mildred Sperry, 613 North East Street, Tuesday evening. Mrs. George Cerro, the teacher of the class, was the guest of honor and there were also several other guests. A roasts was one feature of the evening and there were various games and contests in keeping with the Hallowe'en season.

Nurses Have Party.

A Hallowe'en party was enjoyed in the Nurses' Home at Passavant hospital Tuesday evening which was enjoyed by the resident nurses and officers of the hospital. Games were enjoyed during the evening and refreshments consisting of cider, doughnuts and apples were served.

Entertains at Bridge.

Miss Edith Rodgers entertained her bridge club at a six o'clock dinner Monday evening at her home, 332 South Diamond street, after which the evening was spent playing bridge, twelve members being present.

Debate Oklahoma Question.

The members of the High School Forum held their regular meeting last evening at the High School. There was a good attendance and the program was a very interesting one, the main feature being a debate on the Oklahoma Question.

History Class Met.

Mrs. Chester Hemphill entertained the members of the History Class yesterday afternoon at her home on West State street. The meeting was a very interesting one and a large number of

the members were present. Mrs. J. W. Hubbell had charge of the program and was assisted by Mrs. H. H. Bancroft and Mrs. Harrison King. The afternoon was spent in reviewing and discussing three books of the year.

After the program there was a very delightful social hour, at which the hostess served refreshments.

Hallowe'en Party at I. S. D.

A Hallowe'en party was given by Col. and Mrs. O. C. Smith at the School for the Deaf Wednesday night for all the pupils of the school. The dining room was decorated with Hallowe'en effects and the games and refreshments were in keeping with the season.

It was an event that the boys and girls of the school will long remember with pleasure.

Gay Party at Massey Home

A surprise party was held Tuesday evening for Mr. and Mrs. T. T. Massey at their new home on Kosciusko street. The evening was spent in games and dancing. Refreshments were served consisting of pumpkin pie, apples, sandwiches and marshmallows. Those present were Mr. and Mrs. H. C. Massey and family; Mr. and Mrs. E. P. Massey and family; Mr. and Mrs. O. L. Spaulding, Mr. and Mrs. Robert Harney and family; Mr. and Mrs. Austin Cockerill, Mr. and Mrs. Samples and family; Elmer Murgatroyd, Mr. and Mrs. A. L. Massey and family and Mr. and Mrs. Ray Massey and little daughter.

"Feast of Triangle" Saturday Night

The annual banquet of the Illinois College Y. W. C. A., which is known as "The Feast of the Triangle," will be given Saturday evening at 6:30 o'clock at Academy Hall. The banquet will be served by the Ladies of the State Street Presbyterian church. Mrs. Andrew K. Rule will be toastmistress, and toasts will be given on subjects derived from the Y. W. song, "Follow the Gleam." Miss Janet Brown will give a toast on "The Gleam."illian Simpson, "The Chaff," Frances Strawn, "In Days of Old" and Eunice Williamson, "We Who Serve."

Miss Hegarty Hostess at Party

Miss Elizabeth Hegarty entertained the employees of the Jacksonville Tailoring Company and their friends Monday evening at a very enjoyable Hallowe'en party given at her home on East Railroad street.

The house was artistically decorated in keeping with the Hallowe'en season and Hallowe'en refreshments were served. The evening was spent in playing games and in other amusements. A prize was given for the best costume to Miss Anna Flynn, other prizes were awarded to Albert Spry and to Russell Leib, the latter of whom is from Winchester.

Out of town guests at the occasion were: Charles Campbell, Russell Leib and Basil Northrup of Winchester, and Arthur Green and William Sablotny of Decatur.

Elks Gave Masquerade

Last evening the Elks gave a Hallowe'en dance at the Elks' Club, which was one of the most interesting and entertaining social events of the Hallowe'en season. All the Elks were invited to come and bring or invite their friends and evidently they had not neglected to do so since the affair was unusually well attended.

The program opened at 8 o'clock and the grand march began at 9 o'clock. The club ball room was very artistically and attractively decorated in Hallowe'en colors and all things which help to bring the spirit of this most enjoyable season of the year.

The main feature of the evening was a dance known as "The Strangers' Dance," in which every one danced with some one whom he had never met. This unique idea helped everyone to feel more at home and more

friendly to everyone present and the evening progressed in an unusually satisfactory manner. Excellent music for the occasion was furnished by Brown's orchestra.

Entertain Shall Party

Mr. and Mrs. J. V. Petty entertained a small party of friends at their home, 1145 South East street Wednesday evening in honor of Mr. and Mrs. John Bown of Hardin avenue who are soon to leave for California. The house was beautifully decorated in keeping with the Hallowe'en spirit and refreshments were served to the guests during the evening. The major part of the evening was spent in a social way.

MATRIMONY

Plowman-Dodsworth.

The marriage of Rev. A. L. Plowman of Kansas City, Mo., and Miss Emma C. Dodsworth of this city took place at 11 o'clock Tuesday, Rev. H. K. Wardell performing the ceremony at his home on East College avenue. The bride and groom were unattended.

The bride is a member of a well known Morgan county family, and is a daughter of Mr. and Mrs. Richard Dodsworth. She has for several years served as teacher in the county schools.

Rev. and Mrs. Plowman are to make their home in Kansas City.

White-Marshall

John T. White and Mrs. Mary Marshall, both of White Hall, were united in marriage at 1 o'clock Wednesday afternoon. Rev. W. H. Harbach officiating at his home on West State street. The simple but impressive ceremony was witnessed by Mrs. Monte Winter and Mrs. Walter Dunlap of White Hall and Mr. and Mrs. L. H. Mehrhoff of Winchester.

Both bride and groom are well known in their home community where the groom is a carpenter. They left immediately after the ceremony for White Hall, where they will at once begin housekeeping.

Crutchfield-Massey

The marriage of Frank Crutchfield of Grayville and Mrs. Fannie Massey of this city took place Tuesday at the home of Thomas Fisk. The ceremony was performed by Rev. A. M. Todd in the presence of a few friends and relatives.

The bride and groom both of whom are held in high esteem will be at home at 15 N. Grayville.

Among those present at the wedding were Miss Ruth Warfield, East St. Louis; Mr. and Mrs. Samuel Crutchfield, Mrs. Rozella Walker, Frank Locke and S. R. Bolden of this city.

FRIDAY SOCIAL CLUB IN RECENT MEETING

The Friday Social club held its recent meeting at the home of Mrs. Emma Johnson. Roll call was answered by naming a favorite flower and the reason for the choice, after which came the business session. The program for the coming year includes Mrs. Fred Carter, Mrs. L. C. Meyer and Mrs. W. G. Wolfe.

A pleasant social hour followed the program and the hostess served dainty refreshments. The next meeting will be held at the home of Mrs. L. C. Meyer, Nov. 30th.

EVIDENCE OF GRAFT IN VET BUREAU CASE

WASHINGTON, Oct. 31.—Evidence before the senate committee investigating the veterans' bureau today was that Lucien B. Johnson of San Francisco sold to the government for \$105,000 a hospital site near Livermore, Calif., for which he had paid \$19,275 and then reported to the federal treasury for income tax purposes a net profit of only \$186.53. Other disclosures included:

That Charles F. Cramer, former general counsel of the Veterans' Bureau who committed suicide here last March after his resignation, had reported to Charles R. Forbes then director that an option on the property at \$150,000 had been obtained and had strongly urged the purchase at that price.

MOVIE INDUSTRY PROSPERS

MR. ROSENTHAL SAYS "Notwithstanding reports to the contrary, the motion picture industry today is on a firmer basis and more prosperous than at any time in its history. Bigger and better pictures are being made, more actual money is going into the making of films than ever before. One might say that there is no limit to the vast amount of cost in the production end of this great industry. If the producers are closing down their studios, as recent reports have it, it is only because there is an over-production of films, and not for the reason of any falling off in business."

The foregoing statement was made by Barney Rosenthal, manager of the Universal Film Corporation, who arrived in Jacksonville Wednesday and will remain here for several days in connection with the showing of Universal's greatest and most magnificent "super-film," "Merry-Go-Round," which will be presented at the Majestic Theatre for a period of four days starting Monday.

"Since my visit in Jacksonville," said Mr. Rosenthal, "I find conditions here as good, if not better, than on my former trips to this city. Mr. Luttrell of the Majestic informs me that a steadier patronage of movie folk is more noticeable today than in the past. I have been coming to Jacksonville for the last dozen years, and I must say that the theaters are supported here more substantially than in any other city in Southern Illinois."

WORLD WAR VET WON'T RIDE WITH DEMPSEY

Long Beach, Calif., Oct. 31.—The committee in charge of arrangements for an armistice day parade here Nov. 10, found themselves without a grand marshal selected when William Kollender, adjutant of the local American Legion Post who had been selected to lead the procession learned that Jack Dempsey, world's heavy weight boxing champion was to participate.

"I won't ride in the same parade with Dempsey," said Kollender. He objected to the champion's war record, he explained. As November 11 falls on Sunday this year, the parade was planned for the previous Saturday.

LYNNVILLE

Mr. and Mrs. Roy Heaton and Pearl Fligg were Springfield visitors Wednesday.

Mr. and Mrs. Tom Dodsworth have gone for a visit with Mrs. Dodsworth's brother, Ed Gordon and wife.

Mrs. Roach and children are visiting Mr. and Mrs. Joe Barnhart.

Mr. Hurdly is moving his family on the Robert Middleton farm east of Lynnville.

Mrs. Ina May is visiting friend in Peoria.

Mr. and Mrs. Albert Porter were Jacksonville visitors Saturday.

ASHLAND

Ashland, Oct. 30.—The Woman's Club will meet today, Oct. 30, at the home of Mrs. Ada Wallbaum.

There will be a Hallowe'en social given at the Christian church this (Tuesday) evening.

The Ladies Aid of the M. E. church had luncheon at the home of Mrs. J. E. Shivers this afternoon.

Mrs. John Graff will entertain Wednesday at a bridge party.

Misses Mildred Thornley and Elsie Carls will entertain at a Hallowe'en party Wednesday evening at the Thornley home.

The Foreign Missionary society of the Methodist church will meet Thursday at the home of Mrs. S. N. Zahn.

A musical will be given at the Methodist church Friday evening under the auspices of the Epworth League.

Mrs. J. J. Wyatt entertained recently at a one o'clock luncheon. Covers were laid for twenty. The afternoon was spent in a social. There were out of town guests from Tallula, Virginia and Beardstown and Petersburg.

The Central Illinois Public Service Co., announced Monday plans for the construction of a new large capacity feed line to run from Beardstown to Ashland, where it will connect up with the feed wires of the property recently purchased from the Abbott Light and Power company of Petersburg. The improvement will cost \$125,000. The project was approved in an order of the State Utilities Commission. The new line will link the Petersburg-Mason City properties of the company with four big power plants, those at Keokuk, Hulls, Canton and Peoria. It insures constant and adequate service for the towns which were previously served by the Abbott Company.

Mrs. Fred Hexter left Sunday for St. Louis, Mo., to spend a month with her mother, Mrs. Sarah Harberger and other relatives.

Miss Helen Gibson of Denver, Colo., is the guest of Owen Butler.

Miss Helen Gibson and son, Seth, were Springfield visitors Monday.

John Newell has purchased the Mrs. D. O. Hill residence in the west part of town and will move his family into the same in the near future.

Mrs. H. H. Ferguson, who has been visiting her parents, Mr. and Mrs. Noah Smith, returned Monday to her home in Columbus, Ohio.

Eugene Clemmons, W. S. Reaick and J. J. Wyatt were Chandlerville visitors recently.

Mrs. J. G. Franken and daughter, Julia, of Chandlerville, were weekend visitors at the home of her sister, Mrs. Edwin Hewitt.

Mr. and Mrs. H. J. Steinkuehler of Jerseyville, returned home Sunday after a week's visit here with relatives.

Miss Helen Gibson and Owen But-

ler spent Sunday in Jerseyville with Conway Wallbaum.

Mrs. I. R. McDaniel and Mrs. G. S. Ward of Yatesville visited Franklin McDaniel Sunday.

Mr. and Mrs. Cy Couchman visited Mr. and Mrs. Sam Ray Sunday.

Miss Evelyn Bowers of Springfield spent Sunday with home folks.

Mr. and Mrs. Frank Sharp of Peoria visited Mrs. W. H. Yancy over Sunday.

Mrs. Louis R. Selleck of Chicago is the guest of Mr. and Mrs. W. M. Pettit. Mrs. Selleck has been sight-seeing and touring the west.

J. L. Snyder and family have returned from a week's visit with relatives at Pawnee and Flora making the trip in their car.

BOYS WERE DAMAGING RESIDENCE PROPERTY

There were few cases of vandalism reported to the police last night. However, there were several exceptions to the rule of good conduct and one of these occurred at the residence belonging to Judge E. P. Brockhouse, 1223 West College avenue. Neighbors heard marauders about the house and a message to police headquarters brought officers to the scene promptly.

Blinds had been removed from the windows and placed in the street in such a way that several were damaged by passing cars. The police rounded up a number of boys of high school age who confessed to the mischief making and agreed to pay the property damage. In view of these facts Judge Brockhouse did not file formal complaint and the boys were released.

DEATHS

Welch

Patrick McHatton of 317 Sharp street received word yesterday of the death of his aunt, Mrs. Elizabeth Welch at her home in Carthage, Ill. Mrs. Welch was a sister of the late C. J. McHatton of this city and has often visited here.

Mrs. Welch had a number of relatives in Jacksonville, and those who will attend the funeral are: Miss Margaret McHatton, Patrick McHatton, Mrs. James Wagner and Mr. and Mrs. Thomas Wagner, all of this city.

BIRTHS

Born at Passavant hospital Tuesday evening to Mr. and Mrs. Homer Tice of 302 West North street, a daughter.

PATENT GRANTED

A patent was recently granted in Washington to Charles N. Kahl of Jacksonville on a hydraulic clutch for use of automobiles. Mr. Kahl is a draftsman for the Eli Bridge Co.

TELEPHONE TALKS

To get the best out of telephone service there must be co-operation among subscribers, as well as between the Company and subscribers.

The person calling should:
Be ready when the person called answers.
Speak in a well-modulated tone—not too loud.
Speak distinctly, with the lips close to but not touching the mouthpiece.

The person called should answer promptly. Both should avoid long telephone conversations, which result in busy signals to other subscribers who may want to get one or both of these telephones.

WOMAN BURNED TO DEATH NEAR DRAKE

Remains of Mrs. George Owens Found in Ruins of Home Near Drake Wednesday Night

White Hall, Oct. 31.—The remains of Mrs. George Owens were found when neighbors were attracted to the home near Drake, six miles west of White Hall, by a fire that had practically consumed the house and its contents when discovered at 7 o'clock tonight.

The theory is that Mrs. Owens was preparing supper before her husband's return and was alone in the house when the fire started. The origin of the fire is a mystery and it had gained such headway before discovery that the roof had fallen in, and it

was impossible to save the building or any of the contents. The couple had resided in the Drake neighborhood for many years and are well known in that part of the county. Mr. Owens is a barrel maker and was at work in the apple district when the fire occurred.

MRS. ADAMS ATTENDING CHICAGO CONVENTION

Mrs. A. L. Adams spent several hours visiting with her son Worthington at St. Louis, between trains enroute to Chicago where she will attend a meeting at the Sherman hotel of the Republican women of the state. Mrs. Adams has been in attendance at the district federation meeting at Roodhouse. Mrs. J. J. Reeve, district chairman of the Republican women of the 20th Congressional district, had also planned to attend the Chicago meeting, but on account of illness was unable to attend. Mrs. Grant Graff, chairman of the Republican women of the county, had the misfortune to fall down the lower steps of her stairway, breaking some bones in her foot, which prevented her attending the Chicago meeting.

HALLOWEEN PRANKS ON SOUTH MAIN STREET

A gang of practical jokers wrought havoc last night along South Main street, the little damage of importance was done. A hay wagon was moved into the street at one point; other vehicles were scattered along side streets, and a concrete hitching post at one of the residences was overturned.

Dr. A. M. Daniels of Springfield, federal veterinarian, was a business visitor in this city Wednesday.

FRED HIGH COMING TO CITY NEXT WEEK

Will Return Here to Collect Additional Data for Publicity—Many Magazines Want Stories of City.

Fred High is to spend next week in Jacksonville, according to arrangements recently completed by the Chamber of Commerce. It is the belief of the executive board of the Commercial Division that more remains to be said and done in Jacksonville's publicity campaign. Mr. High says he is not done advertising the city and is coming here for additional data. He will not make any speaking arrangements during his week here, but will hold conferences with various groups, in order to gather information that he can work up into stories on Jacksonville.

The Epworth Herald has asked Mr. High for a story on the Methodist institution of this city. The Century Magazine wants a general story on the city and its activities. The Saturday Evening Post is asking for an editorial. Mr. High states that he is literally swamped with requests for write-ups of Jacksonville, and as he has run out of material, he is visiting the city to replenish his supply of information.

Results of the publicity campaign for the city are beginning to show in tangible ways. Perhaps the most important is indicated by a recent letter to Secretary Welch from the Illinois Manufacturers' Association, requesting information that would be of value to industries seeking new locations. The letter states that the association has received many inquiries from industrial concerns in Chicago, seeking locations down state. These concerns as a rule, employ female labor, and wish to establish factories in smaller cities. The publicity given Jacksonville has roused the interest of the association to such an extent that it in turn may be able to interest factories in this city as a possible location.

It is the aim of the Chamber of Commerce to prepare the city to handle an increase in population. This is to be done thru the city plan, adequate housing arrangements and public improvements sufficient to insure the proper conveniences for more people. At the same time, a live spirit of business enterprise is to be continually fostered among the merchants and citizens. Committees are being kept at work on various projects. The Profit-Sharing Campaign is the chief mercantile stimulus at the present time, and plans are under way to build up business by other means yet to be announced.

The industrial committee has already made one trip on its tour of cities of the state, having visited Decatur. Many valuable things regarding the methods of securing new industries were learned, and the committee received some surprises, which may lead to new conclusions regarding our own industrial status.

MYRON WEST TO ADDRESS MUNICIPAL LEAGUE

Myron W. West, the engineer who is to head the city plan for Jacksonville, is on the program at the meeting of the Illinois Municipal League, which will be held in Urbana this week. Mr. West will deliver an address at the Saturday morning session on "The Value of City Planning." The fact that Mr. West is put on the program of the Illinois Municipal League is some indication of his high standing in the field of city planning.

It seems to be the common experience in cities which adopt city planning, including a zoning ordinance that there is a increase of property values. An article which recently appeared in a Chicago Daily called attention to an increase of 100 per cent in property valuation in Evanston, Illinois in the last two years. According to this article, a large part of this increase in property values was due to that suburbs zoning passed in 1921.

KINNETT'S STORE AT ORLEANS ROBBED

When W. A. Kinnett opened his store at Orleans Wednesday morning he found that the building had been entered by thieves some time Tuesday night. The sheriff's office was notified and the deputies made a visit to the store, obtaining all of the information available. Shoes, clothing and some other articles had been taken from the store.

WILL DRILL FOR GAS WELL TODAY

There have been several delays but it is the intention of P. C. Irwin and his associates to drill in their last big well on the Andrew Harris farm northeast of the city this afternoon at 2:30 o'clock. The well, according to the men who are doing the drilling is already one of the largest "gasers" in the state of Illinois, and further drilling is expected to increase the flow. Visitors will be welcome but are requested to refrain from smoking while anywhere in the vicinity of the well.

Misses Mary, Clara and Ella Aring were Chapin representatives in the city yesterday.

REPUBLICAN WOMEN ORGANIZING

A number of interested Republican women of District No. 9 met at a luncheon at the Peacock Inn Wednesday noon and organized a Republican Women's Club of their district. This is the first district to form a club, but no doubt the Republican women of the entire county will soon be organized into Clubs, representing all the districts, following the plan laid down by the committee women who met at Mrs. Graff's Tuesday. The Ninth District, which is the banner voting district in the county, starts out with a very enthusiastic club with Mrs. W. L. Alexander, who is precinct committeewoman, the only woman in the county having such honors, chosen president with Miss Florence Rice as secretary. The Club will form a block organization which organization will use all their efforts to get out the vote Nov. 6 for J. E. Osborne for County commissioner and for retention of the Tuberculosis Sanatorium.

Mrs. Walter Bradish, the newly elected president of the county club of Republican women, when interviewed, expressed herself in favor of entire precinct block organization where precincts are in city or towns and in country precincts to have as close an organization as is possible with the country conditions.

Mrs. J. J. Reeve, district chairman of the Republican women of the 20th Congressional district expects to follow out thru the district the same general plan of organization as that effected Tuesday afternoon, the precinct chairman who becomes automatically the vice-president of the county and the head of her precinct organization. That the organization is meeting with favor is evidenced by the reporting of over 100 members of the club Wednesday, less than 24 hours after the discussion of the plan. As soon as the precinct chairman have had time for their precinct work, another meeting will be held and plans perfected along the lines outlined. The plan at present is to get out the vote Nov. 6 for Mr. Osborne, the Republican candidate for re-election as county commissioner, and the retention of the Tuberculosis Sanatorium. Mrs. Reeves gives out the following list as precinct chairmen, there are still a few names which will be added soon.

Jacksonville No. 1—Mrs. Charles Pires, Mrs. Laura Lafayette.

Jacksonville No. 2—Miss Hulda Faust.

Jacksonville No. 3—Mrs. Carl Graubner, Mrs. Roy DeFreitas.

Jacksonville No. 4—Mrs. Ed Lewis.

Jacksonville No. 5—Mrs. Basil Sorrells.

Jacksonville No. 6—Mrs. P. G. Stein.

FEDERATED CLUBS IN CLOSING SESSION

Twentieth District Federation of Women's Clubs Closes Annual Meeting at Roodhouse Wednesday Afternoon Officers Chosen

The Twentieth District Federation of Women's Clubs closed its 23rd annual meeting Wednesday afternoon at Roodhouse. The convention opened the day's program with singing "Illinois" led by Mrs. S. L. Smith. Rev. J. S. Brinkman offered the invocation. A. B. Johnson extended greetings from Roodhouse and Mrs. A. L. Adams of Jacksonville gave the response. A solo followed by Adrian Campbell after which came an interesting business session.

Each of the county federation presidents gave a resume of the work being done in her particular county and delegates reported for the various clubs of the district. These reports were very helpful and enabled the club members to carry back the message and reports of what other clubs are doing and the method of accomplishing their work. A round table discussion proved interesting and helpful.

The afternoon's program opened by a solo on the piano by Miss Jessie Wharton of Jacksonville who played two selections, Prelude by Chopin and Wedding Day by Greig.

Miss Myrtle Thompson gave a very enjoyable "Walk With Poets," which was followed by an address by the State President Mrs. George Thomas Palmer. Mrs. Palmer's talk was very much enjoyed by the audience.

After vocal solos, by Ben Claire Crow, She Rested by the Broken Brook, by Coleridge Taylor and La Rosa by Tosti, the final work of the convention was completed, and election of officers held, resulting in the following:

Officers Elected
President—Mrs. E. F. Ford, Greenfield.

Recording secretary—Mrs. W. T. Scott, Jacksonville.

Corresponding secretary and treasurer—Mrs. W. S. Jones, Jacksonville.

Vice president at Large—Mrs. J. Marshall Miller.

Mrs. J. C. Groat of Winchester is also a vice president at large. Mrs. Frank W. Green of Straun's Crossing, the Morgan county Federation president, and Mrs. John Buckley the Jacksonville Woman's club president, extended an invitation to the federation to meet in Jacksonville in October, 1924, with the Jacksonville Woman's club and the Morgan county clubs as hostesses.

The following resolutions were passed at the closing session:

1 Be it resolved that the twentieth district of clubs in the 23 convention assembled express its sincere appreciation of the hospitality of the Roodhouse Woman's club, the citizens of the city and the courtesy of the press.

2 Whereas the 20 district federation was welded together as a working force to make a tuberculosis survey and whereas according to the figures of our state health department the deaths from tuberculosis in the 20 district have increased by 40 per cent in only one year, therefore be it resolved that the 20 district federation go on record as urging upon the clubs intensive work to prevent tuberculosis by some system of cooperation among the counties of the district in order to secure scientific clinics, public health nursing and sanitarium care.

3 Resolved that the federation express sincere appreciation of the inspiring message of Mrs. G. T. Palmer, president of the Illinois Women's clubs, and urge upon each individual club the necessity of raising its quota of one dollar per member for the endowment fund, at the earliest possible date.

4 Resolved that the 20 district federation of clubs, call upon its organizations to individually combat the prevailing pernicious propaganda against prohibition, and to urge the enforcement of the laws pertaining thereto as well as those pertaining to the use of drugs.

5 Resolved that the women of the 20 district inform themselves on international questions, and make a study of all proposed methods of promoting world peace.

SECOND "SING" AT L. C. CHAPEL SERVICE

The second of the series of College sings was held in chapel at Illinois College yesterday morning. Prof. Hedges came up from the conservatory and led in the singing of a group of songs and all the students responded with an enthusiasm which matched his own.

Besides several hymns the following songs were sung: "Love's Old Sweet Song," "Old Black Joe," "America the Beautiful," "Pack Up Your Troubles in Your Old Kit Bag and Smile, Smile, Smile," "Good Morning Mr. Zip Zip Zip," and "Yip-i-daddy-ay."

OUR SAVIOR'S HOSPITAL NOTES

MYERS BROTHERS

THOUSANDS WITNESS HALLOWE'EN PARADE

More Than Five Hundred March in Costume—Judges Select Winners and Give Out Prizes

About six hundred persons in costume paraded the public square last evening behind the Community Band. The costumes were especially brilliant and attractive. All the old-time characters were in evidence, and some new ones.

Trucks had been placed at corners of the square, and the judges stationed on these elevations selected the winners and handed out the orders for the prizes as the line of figures passed over the stages. Each judge was given the job of watching for certain characters and selecting the best costumes in each class.

Thousands of people lined all sides of the square to watch the parade. Red fire torches carried by the marchers helped to illuminate the line. Special torches had been prepared for the band, and the players were thus able to see their music much more plainly.

The judges of the contest were M. A. Hulet, Miss Eva Viers, Mrs. Catherine Sullivan, Mrs. A. R. Taylor, Mrs. G. J. Osborne, L. F. O'Donnell, Miss Mary Mathews, Walter F. Smith, T. H. Buckthorpe and Fred Hopper.

Among prize winners in the costume competition were the following: John McLin, most novel costume (made of corn shucks), \$5 in gold.

Francis Beiber, North Church street, Topsy.

Mrs. Clarence Taylor, Indian square.

Otto Schumm, best little boy's make-up.

William Walton, 839 West

L. G. MINTER SHOT 42 YEARS TODAY

Forty-two years ago this morning Capt. L. G. Minter, then night captain of police here, was shot thru the head, while he was on West State street near Duncan park. The accident happened at 2 o'clock in the morning.

The bullet pierced the skull, severed the optic nerve and blinded Capt. Minter in both eyes. The bullet remained in his head for 20 years, or until his death. After being blinded, Capt. Minter was made jailer at the city prison. In those days it was the custom to conduct the city jail as the county jail is now conducted, and food was cooked for the prisoners at the city hall.

The shooting of Capt. Minter occurred in 1881.

MADAME COLARD TO GIVE RECITAL

The second number of the 1923-24 faculty recital series of the College of Music, Illinois Woman's College, will be given by Mme. Elina Toft-Colard, Danish soprano in Music Hall, Monday evening, Nov. 5, at 8:30 o'clock. A large audience is expected and the public is cordially invited to be present.

A Raw, Sore Throat

Eases Quickly When You Apply a Little Musterole
And Musterole won't blister like the old-fashioned mustard plaster. Just spread it on with your fingers. It penetrates to the sore spot with gentle tingle, loosens the congestion and draws out the soreness and pain.

Musterole is a clean, white ointment made with oil of mustard. It is fine for quick relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frostbitten toes on the cl. st. Keep it handy for instant use.

To Mothers: Musterole is now made in milder form for babies and small children. Ask for Children's Musterole. 35c and 65c, jars and tubes; hospital size, \$3.00.

Better than a mustard plaster

BLUFFS RESIDENTS TO RESIDE IN CITY

C. A. Phillips moved his family to this city from Bluffs yesterday and located in the residence property at 712 West North street. Mr. Phillips recently purchased from C. H. Swaby his produce and poultry business on South Main street, and will make this city the headquarters for an extensive business.

Mr. Phillips has been for a number of years in the produce business at Bluffs, and will continue to maintain a branch house there. He will also have branch establishments at Chapin and Winchester, but has closed several other buying agencies which were located in other cities and towns.

FINED FOR SAVING GREEN SKUNK HIDE

Homer Winters, who resides between this city and Woodson, was fined \$15 and costs in Squire Opperman's court yesterday afternoon for having in his possession a green skunk hide. The fish and game warden got out the warrant for Winters, after he had learned that the hide was hanging in the woodshed at his home.

Winters claims that the skunk was killing his chickens, and that on last Saturday he killed the skunk. Instead of destroying the body of the animal, which would have made his act legal, he skinned it and saved the hide to sell. This was a violation of the state fish and game laws, as the skunk season does not open until today. Had Winters waited until today to kill the skunk, he could have sold the hide; but then he might have lost enough chickens in the meantime to take all the profit out of the venture.

MOVING TO CITY
Mr. and Mrs. E. B. Fry of route 1 are today moving to the city and will reside at 531 Sheridan street.

WANTED TO RENT
Apartment or 5 rooms; west end preferred. Address "H. S.," care Journal.

Sister Mary's Kitchen

BY SISTER MARY

DRIED BEEF

What do you keep on your emergency shelf? Tuna fish, salmon, dried beef and bacon? There are more expensive meats that can be included in the array but dried beef is a good old standby that is not expensive and can be used in a variety of ways.

Whenever dried beef is used it is seldom necessary to add salt to the dish. The beef salts it sufficiently. If the beef is too salty it should be freshened carefully. Let stand in cold water for an hour. Drain and dry between towels.

Home cured dried beef makes a delicious supper meat without any fussing. Slice very thin and serve like any cold meat.

The dried beef on the market in glass jars is very good and there are many brands from which to choose. This sort is more expensive than the meat in the bulk but so very convenient to have in the house that the extra expense is warranted.

Scrambled eggs with dried beef is an appetizing breakfast dish. The beef adds piquancy to an otherwise mild concoction.

Dried Beef With Eggs
One-fourth pound dried beef, 4 eggs, 2 tablespoons butter, 1-2 cup milk, 1-8 teaspoon pepper.

Melt butter in frying pan, add beef, pulled into bits, cover and let cook three minutes. Add milk and eggs, unbroken. Season with pepper. Cook over a slow fire, lifting and mixing with a fork. When the mixture is dry and rather fluffy serve immediately as longer cooking will make the milk and eggs separate.

Macaroni with dried beef is a nourishing dish.

Macaroni With Dried Beef
One cup broken macaroni, 1

cup chopped dried beef, 2 cups canned tomatoes, 1-4 teaspoon pepper, coarse bread crumbs, butter.

Cook macaroni in boiling salted water for 20 minutes. Drain and rinse in cold water. Put half the macaroni in a buttered baking dish, add beef and cover with remaining macaroni. Pour over tomatoes. Cover with bread crumbs, dot with bits of butter and bake half an hour in a moderate oven.

The macaroni will absorb the tomato juice and the dried beef adds a delicious flavor. This dish is almost a full meal in itself. The macaroni provides starch, the beef protein and the tomatoes mineral salts.

Creamed Dried Beef
One-fourth pound dried beef, 3 tablespoons butter, 2 tablespoons flour, 1-8 teaspoon pepper, 2 cups milk.

Remove any stringy portions from meat. Melt butter in frying pan, add beef and cook until the edges curl. Sift over flour and stir until well blended. Add milk slowly, stirring constantly. Cook until thick and smooth. Serve on triangles of toast or with baked potatoes.

Dried Beef With Potatoes
One cup chopped dried beef, 2 cups mashed potatoes, 2 eggs.

Beat yolks of eggs until lemon-colored. Beat in potatoes and beef. Beat whites of eggs until stiff and dry. Fold in first mixture. Turn into a buttered baking dish and bake 25 minutes in a moderate oven.

One of two hard boiled eggs can be added to creamed dried beef. Or an unbroken egg can be stirred into the sauce when removed from the fire.

Why Mothers no longer fear Child-birth

An eminent physician has shown why there is so much suffering on the part of many expectant mothers, for months before baby comes, as well as when baby actually arrives.

This same great doctor found the way to avoid much of this suffering. Mother, your baby's nerves, its whole structure should be free from any influence caused by your months of useless misery and pain. You yourself can be free from much of it. Here is a little message to all expectant mothers:

"Mother's Friend" is applied externally, and enables the muscles, nerves and tissues to relax and adjust themselves with the growing changes during pregnancy, and at child-birth. It should be used for some time before baby comes—the sooner the better.

"Mother's Friend" contains no narcotics or harmful drugs. It is safe. For three generations "Mother's Friend" has relieved expectant mothers of much useless suffering. Mother! you must avoid mere greases and useless substitutes. Begin using "Mother's Friend" today. It is sold at drug stores—everywhere.

FREE BOOKLET ON MOTHERHOOD

Don't let false modesty keep you from this duty to yourself, to your child and to your home. In all means, you should have our valuable "Mother's Friend" booklet. Send for your copy now to Bradfield Regulator Co., B-70, Atlanta, Ga. Get "Mother's Friend" from your druggist today.

THE REFEREE

By Albert Apple

More magical discoveries are made by scientists. In England they cut off the heads of two beetles, a male and then female, then sews the male's head on the female's body and vice versa. Both beetles go on living as before.

Dr. Wood of Johns Hopkins University wonders whether this could also be done with people. He says: "The head of a famous scientist about to die could be grafted to the body of a convict about to be executed. In this way the brain of the genius would never be lost to man kind."

That gives us the shivers. But it's end one of the greatest tragedies, which is that great men when they die take with them most of what they have learned.

Life

Three vivid pictures showing the versatility of the phenomenon of life in America:

Westinghouse scientists demonstrate that, by artificial light, they make flowers sleep and rest, waken and grow. Florists say this may end flower shortages due to cloudy weather.

Picture Two—American Express Co. will open a branch office near King Tut's tomb, expecting big business from tourists.

Picture Three—A New York violinist with high ideal, commits suicide by gas when forced to earn living by playing music in cabarets.

Betting

Here is something new under the sun—interesting statistics: Lloyds, London insurance people, say the odds are 100 to 9 against Henry Ford being the next president. Lloyds have written a \$400,000 policy, on these odds, for a New York firm.

Mortgaged

In the last four years nearly 16 billion dollars worth of new securities have been issued in our country.

America is heading swiftly toward the point where the entire national wealth will be blanketed dollar-for-dollar by stocks and bonds. Life is certainly getting complex and systematized to the last detail.

Polite?

People when they travel are not as polite as they were 15 years ago, observes Joseph Lepore. He has been a "news butcher" on trains for 20 years, selling papers, magazines, candy and fruit.

Joe also reports that "people ask hundreds of foolish questions and scarcely listen to the answers."

Many others have noticed this is the national attitude in politics and economics.

Salesman

Joe Lepore, veteran train boy, says selling magazines, fruit and candy to the traveling public is an exact science requiring psychology.

Joe says the train boy works hardest to land a customer at the front of the car, keeping an eye on him while calling out what's for sale. If the man up front buys, others also buy, copying his example unconsciously. If the front-of-the-car patron refuses, says Joe, you are apt to go right thru the car without a customer.

With even the train boys studying psychology, it's no wonder we find it so hard to hang onto money.

Your taxes would not be lowered one cent by voting down the Sanatorium but Morgan county would be lowered in health and in fame.

FARM BUREAU FILMS AT HOPEWELL SCHOOL

Farm Advisor Kendall to Exhibit Films Next Saturday Evening at School Near Concord—Other Concord Items

Concord, Oct. 30.—Mr. Kendall, farm advisor, will show Farm Bureau pictures at Hopewell school house next Saturday evening, Nov. 3.

All who are interested are invited to attend.

The pupils of the school will sell home made candy and popcorn during the evening.

Quite a number from Concord motored to the County Sunday School convention held Sunday at the Durbin M. E. church near Woodson. The following attended: Mr. and Mrs. Bert Way, Mr. and Mrs. Charles Baylis, Mr. and Mrs. F. C. Nickel, Mr. and Mrs. P. C. Brauer, Mr. and Mrs. Ed Newton, Mrs. A. M. Johnson, Mrs. Ollie Morrison, Mrs. Spencer Smith, Misses Edna Filson, Alma Deterding and Gail Nickel.

Daniel Detrick has been spending a few days in St. Louis on business.

Mr. and Mrs. R. E. Nickel, Mrs. George Detrick and Miss Hattie Hayden of Jacksonville, motored to Louisiana, Mo., last week.

Albert Bartelheim was a Jacksonville visitor Saturday.

The Ladies Aid society of the M. P. church will meet with Mrs. P. C. Nickel and daughters Nov. 5th.

Misses Louise and Lucretia Rentschler of Arcenzville spent the week end with home folks.

Mr. and Mrs. George Wooff expect to leave Thursday for their home in Arkansas.

Union services will be held at the Christian church next Sunday evening. All are invited to attend and make the union services a success.

ADMINISTRATOR'S SALE Of a Valuable Farm

Notice is hereby given that the undersigned, as Administrator of the Estate of Charles H. Gibbs, Deceased, by virtue of an order of the County Court of Morgan County, Illinois, authorizing and directing him, as such Administrator, to sell the real estate hereinafter described, belonging to the estate of Charles H. Gibbs, Deceased, sell the same for the purpose of paying the claims against said Estate, which sale will be held at the Court House in the City of Jacksonville, Illinois, at the hour of two o'clock P. M. on

Saturday, November 3, 1923

said real estate being described as follows, to-wit:

Twenty nine (29) acres off of the East side of the Northeast quarter of the Northwest quarter of Section Five (5);

And the following described real estate, to-wit: Beginning at the Northwest corner of the Southwest quarter of the Northwest quarter of Section Five (5), and running thence East one hundred and sixty (160) rods, more or less, to the center of the Public Road leading from Lynnville to Jacksonville, Illinois; thence South to the North line of land as now owned by F. T. Gordon; thence West along the North line of said Gordon land to the Northwest corner thereof; thence due South to the land now owned by Thomas Riley; thence West to the Northwest corner thereof; thence South to the Center of the Public Road leading from Winchester to Lynnville, Illinois; thence East along the Center of said Public Road to the West side of the corporation of the Town of Lynnville; thence South along said corporation line to the North line of the Southeast quarter of the Southwest quarter of said Section Five (5), thence West to the Northwest corner of said quarter-quarter Section; thence North to the Center of said Public Road; thence West along the center of said Road to the land now owned by John Anderson, thence North to the Northeast corner of said Anderson land; thence West to the West line of said Section Five (5); thence North to the place of beginning, containing sixty-three (63) acres, more or less;

And Thirty Two (32) acres off of the West side of the Northeast quarter of the Southwest quarter of Section Five (5).

All of said lands in Township Fourteen (14) North and Range Eleven (11) West of the Third Principal Meridian, in the County of Morgan and State of Illinois, as shown by Deed dated August 23, 1902, from Thomas Gibbs to Charles H. Gibbs, recorded in Book 69 of Deeds at page 72.

TERMS OF SALE

Twenty-five per cent of the purchase price shall be paid in cash upon the day of sale; the balance to be paid upon the delivery of the deed.

Said sale to be reported to the County Court of Morgan County for the approval of the Court, and the deed will be executed and delivered upon confirmation of the sale.

Possession of the property will be given upon the delivery of the deed, excepting the land which is in corn, possession of which will be delivered as soon as the corn is gathered, which will be the early part of December.

Abstract of title to the premises may be examined at the law office of John J. Reeve.

Dated at Jacksonville, Illinois, this 5th day of October, A. D. 1923.

LATEST NEWS OF THE SPORTING WORLD

TWO IMPORTANT GAMES IN BIG TEN CIRCLES SATURDAY

Illinois-Chicago and Iowa-Michigan Contests Hold Attention of Fans.

CHICAGO, Oct. 31.—While the Illinois-Chicago game at Urbana on Saturday is holding the principal attention of the Big Ten football circles this week, there is a likelihood that the encounter between Michigan and Iowa may have as important a bearing on the outcome of the conference season.

Cochran Yost has a veteran team to send against the Hawkeyes. Iowa, however, has twice been tested against strong teams and has an advantage in experience, and the defeat at the hands of Illinois has only served to strengthen the Iowa team. Both Michigan and Iowa have defeated Ohio by about the same score, indicating that the two teams are evenly matched.

The Wolverine eleven has come through with almost no injuries of importance while Iowa has had an extensive hospital list. It is probable, according to reports today from the two institutions, that both teams will be able to send their full strength to the field Saturday.

By its play against the Aggies last Saturday, Michigan showed that it has a smoothly working diversified attack through the forward pass, sweeping end runs and line plunging. Iowa has a somewhat similar mode of offense, indicating that with a good field, open play may be resorted to.

Chicago and Illinois were in the heart of their training week today perfecting their offense. Many believe that Coach Stagg will have his team uncock a forward pass on Saturday to compete with the open play of the Illinois team.

Minnesota's hospital list has been cut down until Gross is the only regular out of play. He may even be in shape to start against Northwestern on Saturday. The Purple team is spending its week in hard training, attempting to get in condition to defeat the Gopher eleven.

When Wisconsin gets into play, again it will have a different attack than that displayed in the scoreless tie with Minnesota last Saturday.

The Badgers are working on the forward pass, preparing to surprise Illinois on November 10. Both Harris and Gerber, two regulars injured in the Minnesota game will be in shape for the next contest.

Purdue has a hard day ahead of it when Notre Dame starts working Saturday, but the boiler-makers are making extensive defensive preparations.

The present season is proving to be one of few injuries to football stars in the middle-west. In the middle of their season, conference teams are able in most cases, to put their full regular teams on the field for their games.

Monmouth Players Who Will Appear Against Illinois College Friday

OLD RIVALS READY TO BURY HATCHET

Illinois and Millikin May Resume Athletic Relations After a Lay Off of Several Years—Dedicator School Was Always Great Drawing Card Here.

For several seasons Illinois College and Millikin have not met in any form of athletic contests on account of a disagreement during one of the football seasons. According to reports these two colleges may again resume relations and will contest against each other in the various forms of athletic activities. The following by Howard V. Millard, is taken from the Tuesday issue of the Decatur Review:

"Illinois College of Jacksonville and Millikin, for years great rivals in all branches of sport may resume athletic relations again after a brief lay off."

"It has been known the past few weeks that certain members of the athletic board at Millikin are in favor of getting together with Illinois College while athletic director Bill Harmon of the Jacksonville institution told the writer in Peoria Saturday that he as well as the faculty, students and alumni are anxious to again compete with Millikin."

"The only feeling Illinois College representatives ever had was toward the former athletic director for it was the calling off of a scheduled football game a day before it was to be played in Decatur which caused the two schools to discontinue relations."

"There isn't any question but what Millikin and Illinois should meet. The grid games basketball contests and track meets were big drawing cards and being on a direct line it was an easy matter for the teams to be supported by a great following of students each year."

"Athletic Director Williams has had a communication from Mr. Harmon of Illinois and there is a very good chance of the old rivals soon appearing on each others schedules."

PRINCETON TO GIVE OLD TIMERS LETTERS

NEW YORK, Oct. 31.—Varsity letters won fifty years ago but never awarded, will be presented to a gray haired group of veterans during the approaching Princeton-Yale game at Yale Bowl, according to plans outlined by Princeton Athletic authorities. This year's Bulldog Tiger battle will mark the fiftieth anniversary of their gridiron relations the first game having been played at New Haven, Nov. 15, 1873, with Yale the victor 3 to 0. One point was then credited for a field goal Yale scoring three.

In those days it was not customary to give varsity athletic letters. Princeton, however, plans to award the varsity letter to the eight surviving members of the 1873 Tiger team.

BRIGHTER PROSPECTS FOR NORTHWESTERN

CHICAGO, Oct. 31.—Brighter hopes for a victory over Minnesota Saturday prevailed at Northwestern University's campus after the strong showing made by Coach Thistlewaite's squad in today's practice.

Captain McElwain and C. Kelly made big gains thru the freshman line using Minnesota defensive formations. The offensive work showed improvement in almost every department. Interference on end runs was not all that Coach Thistlewaite wanted but it was decidedly better than was shown in last week's workouts.

A long signal practice was put thru tonight the last heavy workout the squad will get before Saturday's game. About 30 men will leave tomorrow night for Minnesota.

Your taxes would not be lowered one cent by voting down the Sanatorium but Morgan county would be lowered in health and in fame.

University of Illinois Memorial Stadium Facts

The contract price of the Stadium to date is \$1,661,000 which does not provide for the completion of the great hall beneath the two stands and other necessary work.

The Stadium is being built by the contributions of 18,000 alumni and students and when completed will be presented to the university as their gift. It, therefore, is a gift to the State of Illinois.

The Stadium is located on a 56-acre field southwest of the university armory and just south of the city limits of Champaign.

There are 17 miles of seats in the east and west stands with a capacity of 55,524. When more seats are needed, the south end can be enclosed, bringing the capacity to 92,000. Should more seats be necessary, the completion of the north end will increase the capacity to 120,000.

The Stadium exterior will be of red brick and white stone, a new note in Stadium construction, which harmonizes with present and contemplated buildings.

The memory of Illinois men who gave their lives to their country in the World war will be honored by 100 columns of stone, each 24 feet high, which surround each stand, forming two impressive colonades 424 feet long and 15 feet wide. These great promenades will overlook the campus and surrounding country at a height of 62 feet.

Beneath each stand will be a great hall, 414 feet long and 50 feet wide, free from columns. These will be used for basketball, handball and other intramural sports when completed.

There are two decks on each stand. The main floor starts at an elevation of one and one-half feet above the playing field and rises to 62 feet 2 1/2 inches. The upper deck or balcony starts at 57 feet 3 1/2 inches and rises to 110 feet 9 inches.

Each stand will be divided into nine sections. The lower half of the main floor will be reached by a series of ten practically level tunnels from the great halls. Access to all other levels of the main floor and balcony is to be obtained by ramps (inclined passages).

The upper half of the main floor is reached by a series of eight ramps, leading up to portals at an elevation of 39 feet 6 inches. The balconies are reached by a triple ramp in each end tower. These ramps encircle the towers and lead off to six equal distant points of the balcony tunnel at an elevation of 78 feet 9 inches and from there lead out to ten portals half ways up the balcony.

Out of the 55,524 seats in the east and west stands, 40,000 are within the limits of the goal posts—a far greater number than in any other stadium. None of the remaining seats are more than 54 feet past the posts.

There will be a quarter mile track with two 220-yard straight-aways inside the Stadium, but baseball will not be played there, the varsity diamond remaining on Illinois field.

The recreation field adjacent will contain tennis courts, baseball diamonds, field for football, soccer, hockey, lacrosse, and other sports will be used by students not on varsity squads for intramural sports. Last year nearly 6,000 students competed in these contests.

Training quarters for varsity squads will be located in the low stories of the north tower of the east stand, with lecture and training rooms, showers, lockers, coaches' rooms and emergency hospital. Freshman squads will be housed in the north tower of the west stand where visiting teams will be cared for also.

A press box is provided in the center of the balcony on the west stand with accommodations for 150 persons. The box will be

TIGERS READY FOR TILT WITH ROUTT

The I. S. D. Tigers have been working hard this week in anticipation of the game this afternoon at 3:45 o'clock on Illini field against Routt High.

The Tigers realize that Routt is putting up a much classier game of football as was proven in their game against the I. C. Reserves last Saturday. Several players who were injured in the game at Greenfield are now again able to be back in the lineup, and a real hard game is expected by both teams, for all fans in the vicinity have long realized that neither the Tigers or the Irish can be made to quit, both teams always giving all they possess.

Cochran Robey Burns expects to start the following men on his kickoff: A. Taylor, lb; H. Jones, lb; H. Balm, lb; C. Sellers,

WELKER COCHRAN IS WINNER OVER HOPPE

NEW YORK, Oct. 31. (A. P.)—Welker Cochran of Los Angeles furnished the surprise of the world's 18.2 balk line billiard tournament tonight defeating William F. Hoppe, the titleholder, 500 points to 230.

In defeating Hoppe, Cochran, the youngest American player in the tournament made the highest run of the week, 146, and in finishing in sixteen innings set up the best average, 31 4-16. Hoppe, far off his game, never could get the balls rolling satisfactorily.

MY OWN ARRIVES IN GOOD RACING SHAPE

CINCINNATI, O., Oct. 31.—Added interest in the Latonia championship race in which Zev and my Ow will compete, was displayed by followers of the racing game with the arrival of My Own at Latonia today. In charge of Preston M. Burch, and with a stable mate, named Scotch Broom, My Own arrived at the track where on next Saturday will be decided which is the peer in the three year thoroughbred class in this country and England.

Burch stated that My Own shipped well and that before leaving Laurel he worked a mile and a quarter in 2:08. The fractional time was half in 49 2-5; 3/4 in 1:12; 1 in 1:24; mile 1:42 1-5. Burch declared that Admiral Cary T. Grayson, the owner of My Own was extremely confident that his horse would take the measure of Zev and the others.

Rialto was shipped from the east this morning and he will arrive at Latonia tomorrow. Word to this effect was received at Latonia today. In Memoriam is here and the only announced starter not the ground is Zev and he will be shipped from the Empire City track tomorrow. In Memoriam showed a fine effort over the heavy track this morning in preparation for the big track race when he went the mile and a quarter in 2:14 1-5.

Routt vs. I. S. D. Illini Field at 3:45 this afternoon.

BACK FROM MISSOURI

Miss Ethel Owings and Miss Mary Hierman, who have been visiting for several days with friends at Kirksville, Mo., have returned to their homes in this city.

Mrs. Clarina Murphy of Chandlerville was shopping in the city Tuesday.

ROUTT WILL GIVE TIGERS HARD BATTLE

Coach Coenen Has Been Working Squad Hard for the Past Week and Expects to Put Up a Strong Fight.

At 3:45 this afternoon Routt will meet the School for Deaf team on Illini field, a game which promises to be a thriller. Local fans are familiar with both teams but in looking over the past performances may easily underestimate Routt. Routt is a very much improved team; the lineup which has been changing frequently, will be the same as in last Saturday's game when they showed to such good advantage. With this combination Coach Coenen has given the men some hard workouts in preparation for this game which will probably be the hardest game of the season. Routt played one of the best games of the season last year against the I. S. D., and upset all the "dope" on the game.

They are going to try hard to repeat this year, and even predict that when the contest ends they will hold the large end of the score. The deaf team showed themselves to be one of the strongest in Central Illinois by holding Jacksonville High to one touch down and Champaign High to ten points. If they lose today it will not be without fighting every minute of the game.

The Routt lineup: Mallen, lb; Glenn, lb; Walsh, C. Cleary, lb; March or Early, rg; Henry, rg; Fitzgerald, re; Murphy, qb; Devlin, rbb; Wright or Clancy, lbb; Sehy, fb.

INDIANS AND REDS TO MEET IN SPRING

Cleveland, O., Oct. 31.—The Cleveland American League team will play the Cincinnati Nationals at Cincinnati the Saturday and Sunday before the opening of the 1924 major league season it was announced here today.

Chesterfield CIGARETTES

The "sure cure," cough drops at Merrigan's.

PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with a "dark brown taint," bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c.

WOMAN SO BLUE SHE CRIED

Because of Ill Health—Tells How She Found Relief by Taking Lydia E. Pinkham's Vegetable Compound

Burlington, Ia.—"I used to dread the time for my monthly period as it came every two weeks and lasted for two weeks, and during that time I would have the blues and cry. Since I have taken Lydia E. Pinkham's Vegetable Compound I am so happy I can hardly express myself. I have gained several pounds and look fine. I have recommended your medicine to my friends and you may publish my letter as a testimonial. I hope your medicine will give others the relief it did me."—Mrs. RALPH GAIL, 2021 Des Moines St., Burlington, Ia.

Lydia E. Pinkham's Vegetable Compound is a medicine for ailments common to women. It has been used for such troubles for nearly fifty years, and thousands of women have found relief as did Mrs. Gail, by taking this splendid medicine.

If you are suffering from irregularity, painful times, nervousness, headache, backache or melancholia, you should at once begin to take Lydia E. Pinkham's Vegetable Compound. It is excellent to strengthen the system and help to perform its functions with ease and regularity.

Keeping Millions Free From Colds and La Grippe

W. H. HILL'S LIFE WORK

Colds cause more illness than any other human ailment. Realizing this 50 years ago, W. H. Hill determined to develop a quick-acting scientifically correct cold and la grippe remedy.

Years of research brought success. Mr. Hill discovered a most remarkable formula. He backed it with energy, faith, integrity and a name that meant "satisfaction or money back."

Today more than 4,000,000 families—one-fifth of America's population—use and recommend Hill's Cascaro Bromide Quinine.

The formula has never been changed in a quarter century. What Hill has done for millions, it can do for you. Demand red box bearing Mr. Hill's portrait. All druggists, 30 cents.

W. R. GIBBS, Adm.

Mr. and Mrs. Dan Ward and family of Sheldahl transacted business in Jacksonville Wednesday.

IMPORTANT TO ALL WOMEN READERS OF THIS PAPER

Thousands upon thousands of women have kidney or bladder trouble and never suspect it. Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder diseases.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

You may suffer pain in the back, headache and loss of ambition.

Poor health makes you nervous, irritable and may be dependent; it makes any one so.

But hundreds of women claim that Dr. Kilmer's Swamp Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such conditions.

Many send for a sample bottle to see what Swamp Root, the great kidney, liver and bladder medicine will do for them. By enclosing 10 cents to Dr. Kilmer & Co., Binghamton, N. Y., you may receive sample size bottle by Parcel Post. You can purchase medium and large size bottles at all drug stores. Adv.

Market Report

By The Associated Press

DIVIDEND ON STEEL INCREASES ORDERS

FINANCIAL
Total stock sales 1,316,000 shares.
Twenty industrials averaged \$8.53; net gain 2.60.
High 1923: 105.38; low \$5.76.
Twenty railroads averaged \$1.47; net gain 1.16.
High 1923: 99.51; low 79.53.
Total bond sales par value \$10,713,000.

NEW YORK, Oct. 31.—The unexpected declaration of an extraordinary dividend on U. S. Steel common on the strength of an unusually good quarterly earnings report combined with the publication of a bullish forecast by one of Wall Street's most famous speculators, brought a flood of buying orders into today's stock market which carried active issues 1 to 5 1/2 points above yesterday's closing quotations. The day transactions ran well over a million shares for the first time in nearly a month. So great was the accumulation of buying orders for U. S. steel common that it was some minutes before the committee on quotations could determine the official opening prices which finally was fixed at \$5 to \$5 1/2, as against a previous closing price of \$3 1/2. The price was finally run up to 9 1/2 on the day on total transactions of more than 100,000 shares. Net gains of four points or more also were recorded by Baldwin, Studebaker, American Can, Gulf States Steel, Coca-Cola, Stewart-Warner and International Harvester while scores of others were up a point or more.

Buying of Studebaker was influenced by the quarterly report which showed \$23.68 earned on the common stock in the first nine months of this year, while American Can was heavily accumulated on the speculative belief that the dividend will be materially increased within the next few months.

The rails followed the wake of the industrial with special strength being shown by the Northwestern carriers.

Call money opened at 4 1/2 per cent but softened to 4 1/4 around noon and held there until closing. The time money market was quiet with occasional \$5 to \$6 day loans.

There was a good demand for commercial paper, the bulk of the prime names commanding 5 1/2 per cent.

Foreign exchange business was quiet.

Pressure against U. S. government bonds was lifted and several of these issues moved upward.

ST. LOUIS CASE GRAIN.
ST. LOUIS, Oct. 31.—Cash wheat No. 2 red \$1.15 to \$1.16; No. 3 red \$1.13 to \$1.15.
